the inevitable arrives you are in a completely different situation The choice is yours and its time to take control Regardless of your current situation when it comes to healthy eating it s never too early and it s never too late Vegetarian Times ,1990-05 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both *Journal of the American Dietetic Association* ,2000 *The American Journal of Clinical Nutrition* ,1989 *Vegetarian Times* ,1990-03 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both **The New York Times Index** ,2007 **Ward's Business Directory of U.S. Private and Public Companies** ,2003 **The Have Diet and More!** Patricia M.
