Yoga For Beginners This Week Returns:

Return to Spirit Christopher B. Soltis, 2019-05-14 Life doesn't come with an instruction manual. We are all born with different circumstances and opportunities and learn from our mistakes and experiences. The knowledge and wisdom gained are invaluable and make us stronger in mind, body, and Spirit. Chris details navigating obstacles of alcohol and drug abuse, severe depression, heart break, and loss from a long-term relationship, being near bankruptcy, and just about wanting to throw in the towel altogether. The only way out is through. This book gives his personal account of spontaneous Kundalini Awakening, which is the physiological mechanism of union of mind, body, and Spirit. Through a disciplined approach to wellness, yoga, and self-inquiry on such topics relating to Spirit, yoga, culture, society, history, philosophy, psychology, relationships, religion, freedom, genetics, evolution, mathematics, numerology, science, energy, astrology, love, paradise, eternity, consciousness, and the universe, Chris established the connection with the subtle body through his energy centers, chakras. His story is there to assist any reader in making the same connection and progressing on the path of spiritual growth and development.

Return To Love Grace Roberts, Their fairy tale may be long over, but deep down they're still longing for their happy ending. Kyle Cavanagh has been dreaming of a professional career in Major League Baseball all his life, but just as his dream was within reach, an injury left him benched. When he returns home to Spring Harbor to continue his rehab, he runs into his first and only love, and old feelings creep back in full force, although he knows she's dating someone else now. After breaking up with Kyle soon after high school to give him the chance to pursue his dream, Lauren Ellsworth didn't think she'd ever love again. Until she met Nate, and he slowly convinced her that maybe she could have her happy ending after all. But just as she thinks she's finally found her balance, Kyle's return destroys the confidence she's worked hard to build. Kyle has never been one to pursue another guy's woman, but he's determined to prove to her that they belong together, even if it means watching from the sidelines and being nothing but a friend. And when painful memories and secrets from their past come back to haunt her, Lauren can't help questioning whom her heart really belongs to. A sweet second-chance romance for fans of heartwarming stories and small-town settings. *Return To Love* is book three in the *Love In Spring* series, but it can be read on its own.
