Matthews,2025-09-20 Dissolve to See is the second volume in Laing Z Matthews groundbreaking five volume series on the modern rebirth of inner alchemy Where Volume I Burning Down the False Self walked the reader through the sacred fire of ego dissolution Dissolve to See takes us into the waters of the soul where grief symbol dream and mystery flow together to unmake what the fire could not reach This is not a book about understanding It is a book about un forming Rooted in Western esoteric alchemy Jungian depth psychology Hermetic mysticism and Daoist spiritual practice this volume immerses the seeker in the second phase of the Great Work Dissolution But this is not an abstract theory You will walk through the flood yourself Every chapter is an initiatory journey into sadness into silence into the imaginal realm where the soul speaks in symbols and nothing is certain but change Across 18 luminous chapters you will learn to Honor the sacred work of grief as a dissolving fire Understand emotions not as symptoms but initiations Engage with dreams as gateways to the imaginal realm Reframe overwhelm confusion and even breakdown as sacred rites of passage Cultivate vision beyond the mind through poetry symbol and the eyes of the soul Through mythic storytelling spiritual psychology and field tested practice Matthews guides the reader to release the need to know to float to ache to wait without panic The book culminates in a quiet revolution spiritual maturity is not control but surrender And the true alchemist does not chase light but dissolves into the current that reveals it This book is not for those seeking techniques to fix their lives It is for those who feel the pull to unmake their lives that they might discover what was true before the false solidified Accompanied by poetic rituals meditative exercises and practical practices for cultivating imaginal perception Dissolve to See becomes both map and mirror It shows the way through not by pointing ahead but by teaching you to see from within If you have ever cried in silence and called it sacred If you have dreamed symbols too strange to explain but too deep to forget If you have stood lost and aching and known somewhere deep that this too is holy Then this book was written for you The fire burned what was false The water now carries what is real You are not meant to swim You are meant to float
