## **Presence Of The Case Study Houses:**

**The Presence of the Case Study Houses**, 2004-01-01 Since their origins over half a century ago the Case Study Houses have ranked among the classics of architectural modernism In a journey into the present reality of the Case Study Houses the two authors of this book have systematically visited and photographed the houses and their owners Viewing these projects through the lens not only of practicing architects teachers and critics but also of representatives of Old Europe confronting the achievements of the New World they describe and elaborate the stories of some of the most thrilling residential projects of the last century     **Architecture & Sustainable Development (vol.1)** Magali Bodart,Arnaud Evrard,2011-07 This book of Proceedings presents the latest thinking and research in the rapidly evolving world of architecture and sustainable development through 255 selected papers by authors coming from over 60 countries     New Solutions for House Museums Donna Ann Harris,2020-11-17 This substantially enlarged and expanded second edition of New Solutions for House Museums Ensuring the Long Term Preservation of America s Historic Houses provides advice for historic site stewards that have concerns about the financial sustainability of their historic house museum and its relevance to its local audience Seven new case studies have been added for the second edition The new case studies reinforce the book s central argument that not every historic house museum whether founded 100 years ago or last month can be sustained long term Three of the new case studies are from diverse historic sites showcasing how African American women and other minority focused historic sites are pioneering new ways to commemorate their histories and interpret fascinating stories to visitors with the end goal of creating financially sustainable historic sites that are relevant to their audience New interviews have been conducted with the ten existing case studies from the first edition to bring them up to date The new edition adds two new reuse options to the eight introduced in the first edition This chapter describes how to identify and implement a reuse decision costs and advisors needed and tips on decision making There is a new chapter long interview with Tom Mayes Chief Legal Officer and General Counsel for the National Trust for Historic Preservation on recent legal and ethical issues facing historic sites Another new chapter provides advice on the essential role of the historic site s Board of Directors as the decision maker for any reuse exploration The second edition of New Solutions for House Museums contains a new introduction to the second edition an updated conclusion bibliography and index     **hunch 3. the Berlage Institute report** Jennifer Sigler,2001-05 Hunch 3 features Julius Shulman Richard Neutra and Henry the Dog Live and work in Igor Kebel s Just in Time Infrastructure expect an explosion in the photos of Bas Princen sink into 3D City with Winy Maas and Wiel Arets x ray Rotterdam with Berlage participants ask Jeff Derkson why Nobody Likes You redefine agriculture in Andrea Branzi s Weak Urbanization read Shiuan Wen Chu s latest Bad Architecture Story get stuck in unfine spaces with Diego Barajas and debate the Dutch non debate with Rem Koolhaas     **The Architect's Newspaper**,2005     **Reports of Cases Heard and Decided in the House of Lords on Appeals and Writs of Error** Great Britain. Parliament. House of

Lords, Charles Clark, William Finnelly, 1874      **Camera Constructs** Andrew Higgott, Timothy Wray, 2016-12-05 Photography and architecture have a uniquely powerful resonance architectural form provides the camera with the subject for some of its most compelling imagery while photography profoundly influences how architecture is represented imagined and produced Camera Constructs is the first book to reflect critically on the varied interactions of the different practices by which photographers artists architects theorists and historians engage with the relationship of the camera to architecture the city and the evolution of Modernism The title thus on the one hand opposes the medium of photography and the materiality of construction but on the other can be read as saying that the camera invariably constructs what it depicts the photograph is not a simple representation of an external reality but constructs its own meanings and reconstructs its subjects Twenty three essays by a wide range of historians and theorists are grouped under the themes of Modernism and the Published Photograph Architecture and the City Re imagined Interpretative Constructs and Photography in Design Practices They are preceded by an Introduction that comprehensively outlines the subject and elaborates on the diverse historical and theoretical contexts of the authors approaches Camera Constructs provides a rich and highly original analysis of the relationship of photography to built form from the early modern period to the present day      **Architecture Today** ,2005
