## **Presenting Archaeology In Court A Guide To Legal Protection Of Sites:**

**Presenting Archaeology in Court** Marion Forsyth, Sherry Hutt, David Tarler, 2006 The passage of the Archaeological Resources Protection Act ARPA in 1979 was a watershed moment in the movement to protect cultural objects against looting This brief volume provides practical help to those who wish to use the provisions of ARPA archaeologists government land managers preservation groups and attorneys to maximize its protective net The distinguished group of authors all veterans of ARPA enforcement efforts first provides a comprehensive history of passage of the law and highlights some key cases that shaped its impact Other chapters offer concrete instructions on establishing archaeological valuation and assessing damage to cultural sites A final section provides a menu of legal strategies now available for use to strengthen and extend the provisions of the law For cultural resource professionals working under ARPA s provisions this book will be an invaluable guide for daily practice

Assessing Site Significance Donald L. Hardesty, Barbara J. Little, 2009-03-16 Assessing Site Significance is an invaluable resource for archaeologists and others who need guidance in determining whether sites are eligible for listing in the National Register of Historic Places NRHP Because the register s eligibility criteria were largely developed for standing sites it is difficult to know in any particular case whether a site known primarily through archaeological work has sufficient historical significance to be listed Hardesty and Little address these challenges describing how to file for NRHP eligibility and how to determine the historical significance of archaeological properties This second edition brings everything up to date and includes new material on 17th and 18th century sites traditional cultural properties shipwrecks Japanese internment camps and military properties

Cultural Resource Laws and Practice Thomas F. King, 2012-12-13 In this fourth edition of the CRM classic Thomas F King shares his expertise in dealing with laws regulating the use of cultural resources With wry insight he explains the various federal state and local laws governing the protection of resources how they have been interpreted how they operate in practice and even how they are sometimes in contradiction with each other He provides helpful advice on how to ensure regulatory compliance in dealing with archaeological sites historic buildings urban districts sacred sites and objects shipwrecks and archives King also offers careful guidance through the confusing array of federal state and tribal offices concerned with CRM Featuring updated analysis and treatments of key topics this new edition is a must have for archaeologists and students historic preservationists tribal governments and others working with cultural resources

*Cultural Resources Archaeology* Thomas W. Neumann, Robert M. Sanford, Karen G. Harry, 2010-01-16 Most students who pursue a career in archaeology will find employment in cultural resource management CRM rather than in academia or traditional fieldwork It is CRM the protection and preservation of archaeological and other resources that offers the jobs and provides the funding Few textbooks however are dedicated to teaching students the techniques and practices of this field Cultural Resources Archaeology now brought completely up date in this second edition and replete with new case studies from the western U S fills in the gap Drawing on their decades of teaching and field

experience the authors walk students through the intricacies of CRM They clearly describe the processes of designing a project conducting assessment testing doing essential mitigation work Phases I II and III and preparing reports The book s emphasis on real world problems and issues use of extensive examples from around the country and practical advice on everything from law to logistics make it an ideal teaching tool for archaeology students who dream of becoming practicing archaeologists
