Spouse-Ology Chris and Juanita Gissentaner, Juanita Gissentaner, 2014-12-24. *Spouse ology: Developing and Nurturing an Intimate Marriage*. We have learned that couples need the Lord at the center of their marriage to have a vibrant, intimate, and long-lasting relationship. As our creator and the creator of marriage, God knows what it takes for us to be fulfilled. We consult the manual about electronics that are made to last a short period of time; why not consult the manual, The Bible, for our lives and marriages, which are meant to last a lifetime? We invite you to go on this journey with us, manual in hand, as we endeavor to intimately know our spouse. *Spouse ology*: Why not go deeper in the most important human relationship? Why not invest a year of time well spent? Time spent in learning to live better with one that our manufacturer says is fearfully and wonderfully made. In Psalm 139:14, *Spouse ology* is designed for couples that have a desire to develop an intimate marriage for those that already have an intimate marriage and want to nurture that intimacy, and for couples anywhere between those two scenarios. It is structured as a devotional to bring a couple together each week to read a passage of scripture with an exposition of that biblical passage as it applies to marriage, an example from our own marriage, or our ministry to other couples, and questions to prayerfully consider as you apply it to your own life and marriage. We invite you to take this journey together with us and open your heart to your Lord and to each other. We invite you to explore biblical principles for marriage and share our own journey, and those of other couples. We invite you to determine to give it your best as you invest in your spouse and your marriage. You will receive if you are willing to work. Our society says that life is give and take, but life in Christ is based on giving and receiving. Come with us and enjoy the journey.

Christian Marriage Companion Dr. Sunny Uwadiae, 2012-08-20 Christian Marriage Companion is one of the most comprehensive and authoritative books on the biblical model of marriage and family. It is a blueprint on what an ideal Christian marriage is and how to achieve it. It exhaustively explains the ordinance and covenant of marriage, its central and peripheral purposes, role relationships of man and wife, how to push beyond intimacy into marital unity, hindrances to a happy marriage, how to resolve conflicts and how to achieve a blissful Christian marriage. It fully examines issues such as same sex marriage, oral sex, use of sex toys, pornography, masturbation, divorce, remarriage, effective communication, forgiveness, adultery and active listening. With over 300 Bible references and real life examples from marital counselling sessions, the book covers virtually all the knowledge and skills for making a Christian marriage a true success. It is a manual covering all that a person needs to know to bring full healing to their marriage, making the book a veritable alternative to face-to-face counselling. It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere. These include an in-depth analysis of the marriage proclamation, the idea that emotional and spiritual education is the central purpose of marriage, the idea of spiritual divorce and the idea that Christian marriages aim at a deeper than intimate relationship. Christian Marriage Companion is the kind of book you simply place on the shelf for your spouse to read in their own time. They will find it absolutely compelling to read. As they do so, only the stone-hearted will resist being reformed by it. Newlywed couples and those looking to improve their marriage would find this book most useful. Although it was written specifically for Christian couples of all denominations, it has great potentials for positively impacting the marriages of non-Christians who read it with open minds. The Christian marriage ideals it teaches are unsurpassable and altruistic.
