## **Presidential Impeachment:**

The Politics of Presidential Impeachment Daniel P. Franklin, Stanley M. Caress, Robert M. Sanders, Cole D. Taratoot, 2020-08-01 The Politics of Presidential Impeachment takes a distinctive and fresh look at the impeachment provision of the US Constitution Instead of studying it from a legal constitutional perspective the authors use a social science approach incorporating extensive case studies and quantitative analysis Focusing on four presidents who faced impeachment processes Andrew Johnson Richard Nixon Ronald Reagan and Bill Clinton they examine the conditions under which presidential impeachment is likely to occur and argue that partisanship and the evolving relationship between Congress and the president determine its effectiveness as an institutional constraint They find that in our contemporary political context the propensity of Congress to utilize the impeachment tool is more likely but given the state of heightened partisanship impeachment is less likely to result in removal of a president The authors conclude that impeachment is no longer a credible threat and thus no longer an effective tool in the arsenal of checks and balances The book also offers a postscript that discusses the impeachment of President Donald J Trump

**Presidential Impeachment** John R. Labovitz, Marcia Labovitz, 1978-01-01 It is presumptuous I suppose to write a book whose primary audience one hopes will not be around for a long time to come The author hopes therefore that this book will be of more interest to those who would like to know more about the constitutional procedure that the House of Representatives invoked in 1974

**Presidential Impeachment and the New Political Instability in Latin America** Aníbal Pérez-Liñán, 2007-07-09 For two decades students of presidentialism have argued that extreme executive legislative conflict ignites military interventions However in recent years many Latin American presidents have been removed from office without democratic breakdowns This book addresses the emerging paradox of unstable governments in the midst of stable democracies

*Impeachment in a Global Context* Chris Monaghan, Matthew Flinders, Aziz Z. Huq, 2024-02-06 This volume considers the use of impeachment within a global context The book brings together leading scholars and experts to give an insight into significant periods in the development of impeachment and its modern comparative use Divided into five parts the opening chapter introduces the topic and underlines its significance in terms of understanding the relationship and inter dependence among politics governance and the law It also offers a novel conceptual framework that facilitates the global mapping of impeachment processes Part I presents a thematic approach that explores the topic of impeachment through the lenses of democracy human rights and the rule of law With these themes in mind Part II focuses on those parts of the world where impeachment is generally recognised as a core constitutional process including the United States South Korea Brazil and other countries in South America Part III continues with the process of constitutional mapping by moving to a focus on those countries where impeachment is arguably an important but largely secondary or peripheral process This includes chapters on Denmark Iceland Sri Lanka and the Philippines and flows through into Part IV's focus on areas of the world where impeachment matters and may even be

increasing in terms of visibility but for a number of reasons arguably exists within a satellite status in terms of constitutional processes and safeguards The fifth and final section steps back in an attempt to assess impeachment processes from a broad comparative perspective The collection presents the definitive text on impeachment for students and scholars with an interest in comparative public law politics and constitutional studies      *Congressional Resolutions on Presidential Impeachment* Stephen W. Stathis,1998 This report summarizes instances in which Congress has considered proposals to impeach or to investigate the possibility of impeaching a President of the United States      **Guide to the Presidency and the Executive Branch** Michael Nelson,2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions      **Impeachment of President William Jefferson Clinton: Transcript of December 10, 11, and 12, 1998 debate on articles of impeachment and censure resolution, hearing ser. no. 18** United States. Congress Senate,1999      **Inventing the American Presidency** Thomas E.

Cronin, 1989 In fourteen essays supplemented by relevant sections of and amendments to the Constitution and five Federalist essays by Hamilton provides the reader with the essential historical and political analyses of who and what shaped the presidency

**Impeachment of President William Jefferson Clinton: Debate of House on H. Res. 611 and 614, Dec. 18 and 19, 1998** United States. Congress Senate, 1999 *History of the Impeachment of Andrew Johnson, President of the United States, by the House of Representatives* Edmund Gibson Ross, 1896 *Impeachment of President William Jefferson Clinton: Submission by counsel for President Clinton to the Committee on the Judiciary, Committee print no. 16, Dec. 1998* United States. Congress Senate, 1999

**The Presidency and the Law** David Gray Adler, Michael A. Genovese, 2002

Political scandals have always demonstrated the capacity of our executive officials for self-inflicted injuries and the Clinton administration was no exception Unilateral warmaking claims of executive privilege and immunity and last minute pardons all tested the limits of presidential power while the excesses of the Special Prosecutor cast doubts on available remedies For eight years Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts resulting in a reshaping of the scope and power of the presidency itself This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration Located at the intersection of law and politics it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president's actions and congressional and legal reactions to them have altered presidential prerogatives in ways that his successors cannot ignore The Presidency and the Law offers an assessment of changes in constitutional and legal understanding of the American presidency exploring such topics as war power executive privilege pardon power impeachment executive immunity independent counsel and campaign finance In examining these collisions between president and the law its distinguished contributors bring the lessons of Watergate and Iran Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints While the essays offer several criticisms of that administration's exercise of power and its interpretation of constitutional provisions and law many of the authors have been supportive of Clinton and his policy pursuits and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic They offer instead commentary analysis and criticism that examine the legality and constitutionality of President Clinton's actions within a broader political and historical context The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993 and it remains to be seen what impact these changes will have on the presidency in the 21st century This book points the way to assessing that impact and is essential reading for anyone concerned with the future of our democracy

**Constitutional Conflicts Between Congress and the President** Louis Fisher, 1997 This text dissects the crucial constitutional disputes between the executive and the legislative branches of government from the Constitutional Convention to the beginning of the

Bush administration It analyzes areas of tension within a political and historical context      **Standing Orders of Parliament on Impeachment of the President and the Vice President** Malawi. Law Commission, 2005      The American Presidency Fenton S. Martin, Robert Goehlert, 1987      *Checking Executive Power* Jody C. Baumgartner, Naoko Kada, 2003-10-30 Examines the presidential impeachment process in such varied settings as the United States Russia Colombia Brazil Venezuela the Philippines and Madagascar      *Presidential Scandals* Jeffrey Schultz, 1999-11-18 This text offers a concise single volume survey of presidential scandals in the United States that looks at the behaviour and public image of every president from George Washington to Bill Clinton The scandals covered include Franklin Pierce s drunkenness and JFK s extra marital affairs      **Founding Republics in France and America** John Anthony Rohr, 1995 Recalling Tocqueville s exhortation for the French to look to America for a better understanding of their own government John Rohr returns the favor by revealing how much we can learn about American constitutionalism from a close study of French governance The French and American republics both emerged from the same revolutionary era and share a common commitment to separation of powers rule of law and republicanism Even so the two constitutional traditions are quite different France after all has replaced its constitution at least thirteen times since 1789 while the American constitution has endured essentially intact Yet as Rohr shows French constitutionalism merits our careful attention Focusing upon the founding of the French Fifth Republic and the drafting of its constitution Rohr compares the nations divergent approaches to executive legislative and judicial power independent administrative authority and discretion and the relation of administrative law to statutory law His analysis of France s divided versus our unified executive the two presidents exceptional powers and their influence on the legislative process provides particularly fresh insights into how the two constitutional traditions promote and inhibit the capacity for administrative action Rohr shows that French administrative institutions are much more thoroughly developed than their American counterparts due to recurrent presidential and constitutional crises Without such a strong public administration daily life in France would likely be extremely unstable if not quite chaotic The proper role of the French institutions he suggests is largely determined by their relationship to elected officials whereas their American counterparts are essentially shaped by the constitutional order A model for future comparative work in constitutional law and public administration Rohr s study should help us see that the constitutional path we ve pursued wasn t the only possibility and why we ve chosen that route nevertheless As such it should have great appeal for students teachers and practitioners in U S and French law politics and public administration      **The Presidency of Andrew Johnson** Albert Castel, 1979 A critical study of his administration assessing his Reconstruction program and economic foreign relations and Indian policies      The Impeachment and Trial of Andrew Johnson, President of the United States Andrew Johnson, 1974 The impeachment and trial of Andrew Johnson President of the United States the complete record of the impeachment in the House of Representatives the preliminary proceedings in the Senate the articles of

impeachment and the full proceedings in the court of impeachment of the Senate of the United States

### **Presidential Impeachment Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Presidential Impeachment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidential Impeachment has opened up a world of possibilities. Downloading Presidential Impeachment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidential Impeachment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidential Impeachment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidential Impeachment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidential Impeachment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidential Impeachment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Presidential Impeachment Books**

1. Where can I buy Presidential Impeachment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
