Presidents House Volume 11:

Message from the President of the United States to the Two Houses of Congress at the Commencement of the ... Session of the ... Congress, with Reports of the Heads of Departments and Selections from Accompanying Documents United States. President,1858 **Inventing the American Presidency** Thomas E. Cronin,1989 In fourteen essays supplemented by relevant sections of and amendments to the Constitution and five Federalist essays by Hamilton provides the reader with the essential historical and political analyses of who and what shaped the presidency Lady First Amy S. Greenberg,2019-02-05 The little known story of remarkable First Lady Sarah Polk a brilliant master of the art of high politics and a crucial but unrecognized figure in the history of American feminism While the Women s Rights convention was taking place at Seneca Falls in 1848 First Lady Sarah Childress Polk was wielding influence unprecedented for a woman in Washington D C Yet while history remembers the women of the convention it has all but forgotten Sarah Polk Now in her riveting biography Amy S Greenberg brings Sarah s story into vivid focus We see Sarah as the daughter of a frontiersman who raised her to discuss politics and business with men we see the savvy and charm she brandished in order to help her brilliant but unlikeable husband James K Polk ascend to the White House We watch as she exercises truly extraordinary power as First Lady quietly manipulating elected officials shaping foreign policy and directing a campaign in support of America s expansionist war against Mexico And we meet many of the enslaved men and women whose difficult labor made Sarah s political success possible Sarah Polk s life spanned nearly the entirety of the nineteenth century But her own legacy which profoundly transformed the South continues to endure Comprehensive nuanced and brimming with invaluable insight Lady First is a revelation of our twelfth First Lady s complex but essential part in American feminism **Abridgment of the Debates of Congress, from 1789 to 1856** United States.
