The Interior Frederico Freitas, Jacob Blanc, 2025-01-28 A new history of Brazil told through the lens of the often overlooked interior regions In colonial Brazil observers frequently complained that Portuguese settlers appeared content to remain clinging to the coastline like crabs From their perspective the vast Brazilian interior seemed like an untapped expanse waiting to be explored and colonized This divide between a thriving coastal area and a less developed hinterland has become deeply ingrained in the nation s collective imagination perpetuating the notion of the interior as a homogeneous stagnant periphery awaiting the dynamic influence of coastal Brazil The Interior challenges these narratives and reexamines the history of Brazil using an interior history perspective This approach aims to reverse the conventional conceptual and geographical boundaries often employed to study Brazilian history and by extension Latin America as a whole Through the work of twelve leading scholars the volume highlights how the people and spaces within the interior have played a pivotal role in shaping national identities politics the economy and culture The Interior goes beyond the traditional boundaries of borderland and frontier history expands on the current wave of scholarship on regionalism in Brazil and by asking new questions about space and nation provides a fresh perspective on Brazil s history

Anarchists and Communists in Brazil, 1900-1935 John W. F. Dulles, 2014-07-03 In providing a detailed account of the leftist opposition and its bloody repression in Brazil during the Old Republic and the early years of the Vargas regime John W F Dulles gives considerable attention to the labor movement generally neglected by historians This study focuses on the formation and activities of anarchists and Communists the two most important radical groups working within Brazilian labor Relying on a wide variety of sources including interviews and personal papers Dulles supplies information that for the most part is unavailable in English and not easily accessible in Portuguese The struggles of Brazilian workers usually against an alliance of company owners state and federal troops and state and federal governments suffered reverses in 1920 and 1921 These setbacks were cited by Astrogildo Pereira and other admirers of Bolshevism as reasons for the proletariat to forsake anarchism and adhere to the Communist Party Brazilian Section of the Communist International Anarchists and Communists struggling against each other in the labor unions in the mid 1920 s joined opposition journalists and politicians in supporting military rebels in a romantic uprising marked by adventure and suffering jailbreaks and long marches and death in the backlands Slowly Brazilian Communism gained strength during the latter part of the 1920 s but 1930 brought the beginnings of failure Worse for the Party than the government crackdown and the Trotskyite dissidence was the growing attraction of the Alian a Liberal the oppositionist political movement that brought Get lio Vargas to power While workers and Party members flocked to the Alian a in defiance of Party orders sectarian edicts from Moscow resulted in the expulsion or demotion of the Party s former leaders and in the condemnation of intellectuals Lu s Carlos Prestes the Cavalier of Hope who had led the military rebels in the mid 1920 s turned to Communism only to find himself not welcome in the Party Taken to Russia by the Communist

International in 1931 he was finally accepted into the Brazilian Party in absentia in 1934 Later that year misled in Moscow by optimistic reports brought by Brazilian Communists he agreed to lead a rebellion in Brazil That decision and its consequences in 1935 were disastrous to Brazilian Communism The struggles among anarchists Stalinists and Trotskyites in Brazil were reflections of a worldwide struggle This study discloses and assesses the effects of Moscow policy changes on Communism in Brazil and contributes to an understanding of Moscow s policies throughout Latin America during this period
