Reddit Walmart Today:

Deserting the Superstore Noah Shuster, 2025-08-29 Corporate retail chains like Walmart and Target are the largest employers of working class Americans And yet this class of workers is rarely examined as political agents in contrast to union workers or government employees What is often presumed about retail workers that they steal from their employers are frequently absent for shifts and present lazy attitudes is seen as reflective of the personal character of these workers In *Deserting the Superstore* Noah Shuster explores the political agency and power of corporate retail chains employees He argues these employees are politically aware and politically active but tend to direct their efforts towards disobedience and desertion rather than reform Through over two dozen interviews Shuster presents narratives of corporate retail employees experiences of their work and how they take action to attain and preserve dignity in the workplace This study finds retail workers articulating values that are contrary to capitalist ideology and that encouragingly point towards the possibility of a post capitalist future among the U S s post industrial working class *Research Handbook on Law and Political Economy*

John D. Haskell, 2025-09-10 This thoroughly revised second edition examines the current state of literature in law and political economy drawing on scholarship across a variety of subject areas geographies and orientations Capturing recent developments in the field it expands upon the range of debates and themes explored by the previous edition to include growing cross disciplinary and cross jurisdictional perspectives **Disney Channel's Extraordinary Girls** Christina H. Hodel, 2024-03-12 Between 2001 2011 Disney Channel produced several sitcoms aimed at tweens that featured female protagonists with extraordinary abilities e g celebrity and super magical powers In this book Christina H Hodel argues that while male counterparts in similar programs openly displayed their extraordinariness the female characters in these programs were often forced into hiding and secrecy which significantly diminished their agency She analyzes sitcom episodes commentary in magazine articles and web based discussions of these series to examine how they portrayed female youths and the impact it had on its adolescent viewers Combining close readings of dialogue and action with socioeconomic and historical contextual insights Hodel sheds new light on the attitudes of the creators of these programs mostly white middle aged Western heterosexual males and the long term impact on women today Ultimately her analysis shows these blockbuster sitcoms reveal that despite Disney s progress toward creating empowered girls the network was and still is locked into tradition This book is of interest to scholars of Disney studies cultural studies television studies and gender studies

That's What She Said Joanne Lipman, 2018-02-22 A FINANCIAL TIMES BUSINESS BOOK OF THE MONTH Urgently needed Charles Duhigg bestselling author of *THE POWER OF HABIT* and *SMARTER* Attention good guys this book is for you Adam Grant bestselling author of *ORIGINALS* and *OPTION B* with Sheryl Sandberg I know what you re thinking Not another career guide cum manifesto telling us to woman up and demand more money But that isn t what Lipman says Instead she uses data reams of it to expose how the system is rigged against women She then calls for men to join the fight to make the

workplace more equal SUNDAY TIMES STYLE MAGAZINE Women spend their working lives adapting to an environment set up for men by men from altering the way they speak to changing the clothes they wear to power posing But still the gender gap persists And once you see it women being overlooked interrupted their ideas credited to men it s impossible to ignore But it needn t be this way Diving deep into the wide range of government initiatives corporate experiments and social science research Joanne Lipman offers fascinating new revelations about the way men and women work culled from the Enron scandal from brain research from transgender scientists and from Iceland s campaign to feminise an entire nation Packed with fascinating and entertaining examples from the woman behind the success of Tupperware to how Google reinvented its hiring process That s What She Said is a rallying cry to both men and women to finally take real steps towards closing the gender gap Previously published as WIN WIN When Business Works for Women It Works for Everyone *The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us* Joe Federer, 2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling *The Hidden Psychology of Social Networks* will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value **Florida Law Review** ,2017-05 **Vanity Fair** ,2016 **Reddit** John Perritano,2018 When Reddit began the old fashioned bulletin board went digital and worldwide Today the information news and opinion Web site and app is the go to source for hundreds of millions of readers and contributors Inside read how Reddit transformed how many people get their news how the voice of the crowd helps determine what those people read and what Reddit is planning to continue its information revolution in the future Social media companies have changed the way that people in every
