Presenting Expert Witnesses:

Preparing and Presenting Expert Testimony in Child Abuse Litigation Paul Stern, 1997-01-16 The testimony of expert witnesses to inform courtroom decisions is critical if intelligent and just verdicts are to be reached Few judges jurors or lay witnesses possess the necessary knowledge to adequately understand the complexities of human behaviour as they relate to acts of interpersonal violence While lay witnesses can testify to actual incidents or observations it is the expert witness who can provide forensic significance to such evidence This volume clearly defines the need for and role of expert witnesses in litigation The author demystifies the process and provides practical guidance on preparing and presenting expert testimony In so doing he will assist courts to more accurately assess and weigh evidence *Presenting Expert Testimony* James H.
