Presidents Arms Control

Bryan D. Jones

Presidents Arms Control:

Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office

Averting Doomsday Patrick J. Garrity, Erin R. Mahan, 2021-12-07 In the controversial legacy of the Nixon presidency the administration s effort to curb and control the spread of the world s weapons of mass destruction is often overlooked And yet by the time President Nixon left office under the cloud of the Watergate scandal his actions on this front had surpassed those of all his predecessors combined and laid the foundations of WMD arms control and nonproliferation policies that persist to this day In Averting Doomsday Patrick Garrity and Erin Mahan explore and assess Nixon s record addressing not only nuclear but also biological and chemical weapons Drawing substantially on presidential recordings and other primary sources not widely consulted the authors shed new light on milestones such as the first SALT agreement on strategic nuclear weapons and the Anti Ballistic Missile Treaty as well as the renunciation of US offensive biological weapons and a Seabed treaty The WMD control landscape had accumulated many divergent visions and interests over time technical diplomatic domestic political and utopian The Nixon administration had to adjust to and build on this eclectic foundation creating a new layer of policies to deal with WMD that substantially set the course and perhaps limited the options for future administrations in ways that are still with us Miller Center Studies on the Presidency

Presidents and Arms Control Kenneth W. Thompson, 1994-05-17 The role of American presidents in the formulation and negotiation of arms control remains obscure and unclear and this fact provides justification for the newest series of books from the Miller Center Presidents and Arms Control addresses the milieu of arms control in the nuclear age and the decision making style of presidents In addition this volume focuses on the negotiation of arms control agreements the ratification process of treaties by the Senate the potential role and limitations of the Arms Control Disarmament Agency and the prospects for arms control and nonproliferation in Europe Amazon com

Congress. House, 1998 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House **Arms Control Today**, 1990 **Congressional Record** United States. Congress, 1983 **Current World Leaders**, 1997 **Congressional Record Index**, 1989 Includes history of bills and resolutions **Gerard Smith on Arms Control** Gerard C. Smith, 1987 This volume is a collection of 36 of Ambassador Smith's articles and speeches arranged in chronological order in the sequence he wrote or delivered them His aim has been the realization of an understanding on arms control not demonstrations that no agreement is possible In this quest of arms agreements Ambassador Smith has been untiring The Reagan Presidency W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents *Leadership and Politics* Bryan D. Jones, 1989 In twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved The approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead **The Carter Presidency** Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter's presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not

only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America Arms Control Fact Book ,1985 Encyclopedia of the American Presidency Leonard Williams Levy,Louis Fisher,1994 Encyclopedia of the American Presidency Andrew Jackson through Theodore Roosevelt **Report of the Presidential Advisory Board on Arms Proliferation Policy** United States. Presidential Advisory Board on Arms Proliferation Policy,1996 **LSAT** Research & Education Association,Robert K. Burdette,1996 Many of REA s acclaimed Test Prep books are also available with our powerful interactive test preparation software called TESTware Each TESTware package includes one of REA s comprehensive Test Prep books plus timed full length computerized tests that simulate the actual exams By controlling the order of questions and enforcing time constraints REA s TESTware makes test preparation more like the actual exams than ever REA s TESTware automatically scores the user s performance creates a detailed score report and suggests areas for further study When compared with other test prep book and software packages REA s TESTware offers a number of significant advantages Each book is accompanied by both Windows and Macintosh software A quick on screen tutorial gets the user started right away On screen text is superior in quality Graphics and mathematical symbols are sharp and clear and reading passages are easy to read and scroll Pause button allows students to use study time efficiently Students can suspend tests and resume at any time TESTware displays a list of questions featuring their answered or unanswered status and allows students to mark questions for later review TESTware has the ability to display multiple windows simultaneously allowing students to view a list of questions exam directions questions and explanations while testing Unlimited toll free customer and technical support via phone fax Internet or America Online In sum REA s TESTware is extremely user friendly easy to install easy to learn easy to use and

exceptionally helpful *Presidents and Arms Control* Kenneth W. Thompson, 1997 NOTE Series number is not an integer IV
The book examines the arms control issue in successive administrations of the postwar presidents and reviews each
president's involvement in the pursuit of arms reduction and limitation U.S. Presidents and Latin American Interventions
Michael Grow, 2008 Reveals how Cold War U S presidents intervened in Latin America not as the official argument stated to
protect economic interests or ward off perceived national security threats but rather as a way of responding to questions
about strength and credibility both globally and at home
