The first conflicts. The crisis, chapters 1-2** Bernhard Weiss, 1894      **A Balanced Christian Life** Watchman Nee, 1981-12-01 Ephraim is a cake not turned Hosea 7:8

This is a figurative way of saying not balanced The cake is burned on the one side uncooked on the other on one side it is overdone on the other totally undone The cake is unfit to be eaten and is thus destined to be cast out Our God is most balanced He is love and He is light Our Lord Jesus is full of grace and full of truth The Holy Spirit is the Spirit of wisdom as well as of revelation In creation God hath measured the waters in the hollow of his hand and meted out heaven with a span and comprehended the dust of the earth in a measure and the hills in a balance Is 40 12 Concerning redemption it is said that mercy and truth are met together righteousness and peace have kissed each other Truth springeth out of the earth and righteousness hath looked down from heaven Ps 85 10 11 The new creation therefore must be well balanced In this present volume Watchman Nee attempts to show from God s word the perfect equilibrium of divine truth Human nature however is prone to emphasize one side to the exclusion of the other side of truth This has caused much confusion and many problems among God s people It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained The contents of the book opens with a treatment of the balance between the gate and the way continues with a presentation of the balance between the objective and the subjective includes a discussion on the work inward and the work outward in the Christian life as well as on the rest given and the rest found as promised by Christ contemplates the other side of prayer frequently neglected namely to watch and concentrates on the other less emphasized aspect of the trespass offering that of restoration The book then provides a commentary on the contrast between the truly meek and the spiritually poor and finally concludes with a consideration of the equilibrium that is so necessary between the believer s faith and the believer s walk May all who read this volume be brought into a balanced Christian life
