Jessica Miller-Merrell

Cyber Week Ring Doorbell Near Me:

Ethnography for the Internet Christine Hine, 2020-05-11 The internet has become embedded into our daily lives no longer an esoteric phenomenon but instead an unremarkable way of carrying out our interactions with one another Online and offline are interwoven in everyday experience Using the internet has become accepted as a way of being present in the world rather than a means of accessing some discrete virtual domain Ethnographers of these contemporary Internet infused societies consequently find themselves facing serious methodological dilemmas where should they go what should they do there and how can they acquire robust knowledge about what people do in through and with the internet This book presents an overview of the challenges faced by ethnographers who wish to understand activities that involve the internet Suitable for both new and experienced ethnographers it explores both methodological principles and practical strategies for coming to terms with the definition of field sites the connections between online and offline and the changing nature of embodied experience Examples are drawn from a wide range of settings including ethnographies of scientific institutions television social media and locally based gift giving networks Mediaweek, 2010

Digitizing Talent Jessica Miller-Merrell, 2022-12-12 In a fast moving talent market digital recruiting is a game changer for employers seeking top candidates Digital Recruiting offers a comprehensive expert led guide to leveraging digital platforms tools and strategies to find attract and engage both active and passive job seekers Written by Workology founder and renowned podcaster Jessica Miller Merrell this book explores the evolving recruitment landscape and provides actionable tactics that meet the expectations of today s digitally savvy candidates From social sourcing and employer branding to automation and analytics the book is a practical resource for staying ahead in the hiring game Whether you re new to talent acquisition or refining an existing strategy this is an essential playbook for modern recruiters

Leading the Way Mary K. Trigg, 2010 Leading the Way is a collection of personal essays written by twenty one young hopeful American women who describe their work activism leadership and efforts to change the world It responds to critical portrayals of this generation of twenty somethings as being disengaged and apathetic about politics social problems and civic causes Bringing together graduates of a women s leadership certificate program at Rutgers University s Institute for Women s Leadership these essays provide a contrasting picture to assumptions about the current death of feminism the rise of selfishness and individualism and the disaffected Millennium Generation Reflecting on a critical juncture in their lives the years during college and the beginning of careers or graduate studies the contributors voices demonstrate the ways that diverse young educated women in the United States are embodying and formulating new models of leadership at the same time as they are finding their own professional paths ways of being and places in the world They reflect on controversial issues such as gay marriage gender racial profiling war immigration poverty urban education and health care reform in a post 9 11 era Leading the Way introduces readers to young women who are being prepared and empowered to assume leadership roles with men in all public arenas and to accept equal
