British Playwrights, 1956-1995 William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright s critical reception an assessment of the dramatist s work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history

The Fanciers' Journal ,1890 Quartermaine's Terms Simon Gray,2013-02-21 A masterly portrayal of an innocent Harold Pinter from Directing Simon Gray s Plays Simon Gray Plays 1 Superficially it is a light comedy about a group of educated often eccentric English characters in an academic backwater in the early sixties But though the jokes are excellent the piece cuts deep There are Strindberg like glimpses of wretchedly unhappy marriages and as in Ibsen a sense of chickens coming home to roost But the primary impression here is of an English Chekhov As in the plays of the Russian master the characters talk a lot but they rarely listen still less understand so they are often at cross purposes And like The Seagull the long time scheme in Quartermaine s Terms it spans several years creates a poignant sense of transience and mortality Daily Telegraph Gray s selection of details and exchanges is immaculate he achieves drama and mystery in mundane lives the comedy is beautifully stated and even personal tragedies are underlined with running gags that ring with truthfulness No false hothouse effect is necessary to make bare the bewilderment of spirit of his central figure the grinning forgetful and deeply kind staff lecturer St John Quartermaine an inarticulate character of awesome loneliness who rivals the tragic force of Willy Loman The Times A play that is at once full of doom and gloom and bristling with wry even uproarious comedy The mixture is so artfully balanced that we really don t know where the laughter ends and the tears begin the playwright is in full possession of the Chekhovian territory where the tragedies and absurdities of life become one and the same New York Times
