

The book cover features a surreal illustration. In the upper right, a dark-colored classic car is shown from a low angle, appearing to emerge from a blue, cloudy sky. A large, bright orange sphere, resembling a basketball, is positioned in the upper left. The lower half of the cover is dominated by a large, out-of-focus, orange-yellow shape that looks like a close-up of a flower or a textured surface. The title 'rearranging' is written in a bold, dark purple, sans-serif font, and 'and other stories' is in a smaller, italicized, dark purple font below it.

Rearranging And Other Stories:

More Than Guided Reading Cathy Mere, 2005 Is there too much emphasis on guided reading in primary classrooms It s a question that many educators like kindergarten teacher and literacy coach Cathy Mere are starting to ask Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts but Cathy found that she needed to find other ways to help students gain independence While maintaining guided reading as an important piece of their reading program teachers need to offer students opportunities during the day to develop as readers to learn to choose books to find favorite genres and authors and to talk about their reading In More Than Guided Reading Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning not only providing more time for students to discover their reading lives but also shaping instruction to meet the needs of the diverse learners in her classroom By changing the structure of the day Cathy found she was better able to adjust the support she was providing students allowing time for whole class focus lessons conferences and opportunities to share ideas as well as reading from self selected texts using the strategies skills and understandings acquired in reader s workshop The focus lesson is the centerpiece of the workshop It is often tied to a read aloud and connected to learning from the previous day helping to build skills extend thinking and develop independence over time This thoroughly practical text offers numerous sample lessons questions for conferences and ideas for revamping guided reading groups It will help teachers tweak the mix of instructional components in their reading workshops and provoke school wide conversations about the place of guided reading in a complete literacy curriculum **Toby's Little Eden and**

Other Stories John Flannery, 2010 The first story in this collection of short stories The Ghostwriter is about a very successful thriller writer who seems to be possessed by the spirit of Charles Dickens This leads him to battle his inner demons and question his atheistic attitude The second story is called Something To Do and features an ordinary man who decides to become a writer His quotidian task is complicated by slightly obsessive thoughts relating to an old flame The third story entitled Toby s Little Eden focuses on a strapping young man who is happily dormant and isolated in his beautiful garden in North London but the arrival of a new young housekeeper leads him to reluctantly come out of his shell Found Wanting is about a man who seeks to gently nudge his wife back into prostitution but is he pushing at an open door The final story Carlington Park G C is really a series of comical sketches featuring the groundstaff of a new golf course in North Manchester
