The Meaning of Life and Death Michael Hauskeller, 2019-09-19 What is the point of living If we are all going to die anyway if nothing will remain of whatever we achieve in this life why should we bother trying to achieve anything in the first place Can we be mortal and still live a meaningful life Questions such as these have been asked for a long time but nobody has found a conclusive answer yet The connection between death and meaning however has taken centre stage in the philosophical and literary work of some of the world's greatest writers Fyodor Dostoyevsky Leo Tolstoy Soren Kierkegaard Arthur Schopenhauer Herman Melville Friedrich Nietzsche William James Ludwig Wittgenstein Marcel Proust and Albert Camus This book explores their ideas weaving a rich tapestry of concepts voices and images helping the reader to understand the concerns at the heart of those writers work and uncovering common themes and stark contrasts in their understanding of what kind of world we live in and what really matters in life

A Search for Purpose The Prince Sharma, 2017-03-20 I wrote this book for people who want to know the purpose of life who want to know the purpose in life and who want to live a life of exhilaration and abundance The objective of this book is to collect the traces of truth we find in science psychology history and spirituality and to answer the following three great questions of life Who are we What is reality What are we doing here The answers will help us understand the purpose of life and give us clarity on our purpose in life It is necessary to know the truth or a part of it instead of following blind ambitions or live aimlessly On our journey to find the purpose we will learn the nature of the universe mind and life and then dive in to some concepts of metaphysics which resonates with science After a decade of research experiment introspection and cognition I have reasons to believe that we are born with a purpose in life a legend to manifest Life has a special meaning for each one of us Once we realize our purpose we can not only live a fulfilled and abundant life but also reach our greatness

essays by one of the world's foremost Kant scholars explores the efforts of the great Enlightenment philosopher Immanuel Kant 1724-1804 to construct a moral philosophy based on the premise that the most fundamental value for human beings is their freedom to set their own ends **The Living Age**, 1871 God Is the Provision of All Our Needs Dr. Damian Iwuala, 2009-09-11 This powerful book shares profound scriptural insights on the power of God and how He was the provision of all our needs. God's provision is not about us; it is about Him and His work. God wants His children to be blessed and healed with every need met; live a life full of more abundantly and have prosperity with a purpose. God promises to provide all our needs if He has not provided it, then we don't need it. We should realize that our true need is God Himself. God is on a mission of restoration and remodeling our mind. It is my sincere desire that this book will serve for inspiration and confirmation to those who read them. Let us live our lives today as we will live in eternity, focusing on God as our Light, our Creator, our Redeemer, our Provision, and Provider. God gave us His Son, Spirit, Love, Gift, and Free will and provides us with the divine principle for living a victorious life. He gave us all the basic tools, which are His words and the truths contained in the Bible, have the supernatural ability to change and transform us to be the person that God wants you to become in Him. This book will help you develop and apply biblical principles to our lives and also shares insights that will help readers adjust to the many challenges and changes that life brings. The most important thing in achieving your road to victory is your will, power, attitude, dedication, passion, commitment, and refusal to surrender. Cultivate positive thinking for the right reason to enhance the quality of your life and the lives of others. We can frame our world, change our circumstances through the power of God's word. The key to overcoming challenges and problems and have victory is to see them from God's proper perspective. This book will guide us into discovering God's plan by renewing our mind, demonstrating accountability, self-discipline, and good conduct. What you are doing today always affects where you will be tomorrow; therefore, we should pay attention to our action today. Our character, behavior, and attitude shape us to know God and allow our children to learn more about God, which helps them to develop spiritual knowledge that helps to enquire wisdom, discipline, and instruction necessary for godly living. The right habits create the right destiny. The best way to predict the future is to create it. Your life has a divine purpose and destiny. The quality of your works is the reflection of your character. Faith in God opens the doors to favor. Where there is no vision, the people perish. This book will challenge your mind to embrace changes and responsibility and the greatness God has put within you. May God's grace and mercy be poured out on anyone that reads this book. May the Holy Spirit inspire us. All these blessings shall come upon you and overtake you because you obey the voice of the Lord, your God. Deuteronomy 28:2 I can do all things through Christ who strengthens me. My God shall supply all your need according to His riches in glory by Christ. Jesus.
