Rebirth Of The Druids:

Rebirth of the Druids Marcheale E Tyler, 2001 Long ago all the lords and the ladies of the magic lands or Druids as we know them left the known lands Only a few spellbinders and the old woman they called the Oracle remained behind The Druids promised to return but never did so there was an imbalance in the flow of magic that came from the five wellsprings beneath the land The magic flowed too freely and the motherland could not take the strain The Oracle predicted that in the next few years furious storms would take over the skies earthquakes would be common and all the seas would turn to poison Only the Druids had enough ability to harness the wellsprings and restore the balance At length the Oracle called a young guard a spellbinder named Curren to her private chamber She reminded him of the history of the Druids and of the wellsprings Then she told him of the vision she had just had Her vision showed her that soon they would have Druids among them again but not the Druids of old New ones would be born from common women but because of the lack of magic in the mothers bodies and the desperate need for it in the babies the children would not survive the birth without help This was Curren s mission to rescue resuscitate and rear the five Druid children by harnessing and channeling the magic of the land through his catalyst stone But it was a mission fraught with danger and betrayal Witches, Druids and King Arthur Ronald Hutton, 2006-09-15 In *Stations of the Sun and The Triumph of the Moon* Ronald Hutton established himself as a leading authority on the history of Paganism His wealth of unusual knowledge complemented by a deep and sympathetic understanding of past and present beliefs that are often dismissed as strange or marginal and an ability to write lucidly and wittily gives his work a unique flavour The essays which make up *Witches, Druids and King Arthur* cover elegantly and entertainingly a wide range of beliefs myths and practices Celtic Myth and Religion Sharon Paice MacLeod, 2011-11-08 This book provides a comprehensive overview of Celtic mythology and religion encompassing numerous aspects of ritual and belief Topics include the presence of the Celtic Otherworld and its inhabitants cosmology and sacred cycles wisdom texts mythological symbolism folklore and legends and an appreciation of the natural world Evidence is drawn from the archaeology of sacred sites ethnographic accounts of the ancient Celts and their beliefs medieval manuscripts poetic and visionary literature and early modern accounts of folk healers and seers New translations of poems prayers inscriptions and songs from the early period Gaulish Old Irish and Middle Welsh as well as the folklore tradition Modern Irish Scottish Gaelic Welsh Cornish Breton and Manx complement the text Information of this kind has never before been collected as a compendium of the indigenous wisdom of the Celtic speaking peoples whose traditions have endured in various forms for almost three thousand years **Celtic Wisdom for the Modern Druid: Practical Guidance for Daily Life and Rituals** Nick Creighton, Dive into the enchanting realm of Druidism with *Celtic Wisdom for the Modern Druid Practical Guidance for Daily Life and Rituals* a meticulously crafted guide that opens the door to a world where nature s wisdom reigns supreme This book is not just a manual it is an invitation to embark on a spiritual journey that promises to reconnect you with the
