*Receiving Divine Revelation* Fuchsia Pickett, ThD., D.D., 2015-11-17 For years I studied the Word I read every book I could lay my hands on and sat under every Bible teacher they would let me sit under But I still didn't know God nor did I really understand His Word Although Jesus was living in my heart He was a stranger to me Do you know Jesus Do you understand His Word It took some extreme circumstances in my life to bring me to the place where the Holy Spirit began to reveal Jesus to me and in me I will never forget the first night the Spirit began to divide asunder the veil of the flesh between my soul and spirit I began to see Jesus and understand His Word The Holy Spirit became my teacher and I started to receive His divine revelation You see no one can show you Jesus except the Holy Spirit This living reality miraculously set me on the path of divine discovery that I am still walking in today Come and walk with me and my Teacher the Holy Spirit Learn how to hear His voice through God's Word Let Jesus be revealed in you and receive the divine revelation of who He is the Christ who lives in your heart PT600 Receiving Divine Revelation Fuchsia T Pickett, 2020-01-03 This course enables students to invite the Holy Spirit to teach and guide them through Scripture Topics include the basis of true revelation the process of revelation hearing God's voice hindrances and helps to receiving revelation Divine Revelation Susan G. the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind

*The Theology of Jonathan Edwards* Michael J. McClymond, Gerald R. McDermott, 2012-01-05 Scholars and laypersons alike regard Jonathan Edwards 1703-58 as North America's greatest theologian The Theology of Jonathan Edwards is the most comprehensive survey of his theology yet produced and the first study to make full use of the recently completed seventy-three volume online edition of the Works of Jonathan Edwards The book's forty-five chapters examine all major aspects of Edwards's thought and include in-depth discussions of the extensive secondary literature on Edwards as well as Edwards's own writings Its opening chapters set out Edwards's historical and personal theological contexts The next thirty chapters connect Edwards's theological loci in the temporally ordered way in which he conceptualized the theological enterprise beginning with the triune God in eternity with his angels to the history of redemption as an expression of God's inner reality ad extra and then back to God in eschatological glory The authors analyze such themes as aesthetics metaphysics typology history of redemption revival and true virtue They also take up such rarely explored topics as Edwards's missiology treatment of heaven and angels sacramental thought public theology and views of non-Christian religions Running throughout the volume are what the authors identify as five basic theological constituents trinitarian communication creaturely participation necessitarian dispositionalism divine priority and harmonious constitutionalism Later chapters trace his influence on and connections with later theologies and philosophies in America and Europe The result is a multi-layered analysis that treats Edwards as a theologian for the twenty-first century global Christian community and a bridge between the Christian West and East Protestantism and Catholicism conservatism and liberalism
