Recies Up Along Down Along Cornwall:

Cloven Country Jeremy Harte, 2023-08-25 Now in paperback an exploration of the myths of England s deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil s work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil s hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales **Vickery's**

Government Association should identify and disseminate information about good and bad practice in the delivery of cost effective flexible services including community transport and or area based transport integration And local authorities and commercial operators must consult more widely where services are being changed
