The Illustrated at the Fireside Roger Webster, 2003 A new collection of stories about real life characters and events that have shaped our past and that have never been told before e stories of bravery and honor greed and failure hope and despair but ultimately stories of people who went beyond the expected and of events that surpassed the ordinary

Popular Politics in the History of South Africa, 1400-1948 Paul S. Landau, 2010-09-20 Popular Politics in the History of South Africa 1400 1948 offers an inclusive vision of South Africa s past Drawing largely from original sources Paul Landau presents a history of the politics of the country s people from the time of their early settlements in the elevated heartlands through the colonial era to the dawn of Apartheid A practical tradition of mobilization alliance and amalgamation persisted mutated and occasionally vanished from view it survived against the odds in several forms in tribalisms Christian assemblies and other seemingly hybrid movements and it continues today Landau treats southern Africa broadly concentrating increasingly on the southern Highveld and ultimately focusing on a transnational movement called the Samuelites He shows how people s politics in South Africa were suppressed and transformed but never entirely eliminated

At the Fireside, Vol. 2 Roger Webster, 2001 The stories in this work are the tales of bravery and honour greed and failure hope and despair but ultimately the stories of real people who went beyond the expected and of events that surpassed the ordinary

Parliament,1992 The Historical Record Frederick Charles Johnson,1893 **The Thinker** ,1895 **Lays of Ind ...** Walter Yeldham,1876 **South African Mines, Their Position, Results and Developments..** C.S. Goldmann,1895 **Pretoria at War, 1899-1900** Bridget Theron,2000 The commemoration of the Anglo Boer War of 1899 1902 has brought renewed interest in the fortunes and strategies of the two warring parties and the various battles that were won and lost But it has also aroused great curiosity about how the ordinary South African people of all races experienced the war This book looks at how the war impacted upon a particular community that of Pretoria the capital of the Transvaal republic and the seat of the Boer government When the war clouds gathered how did Pretorians react What were their emotions when war broke out and how did they cope with wartime conditions The effect of the war on schools in the town on commerce and industry social activities and the provision of public amenities is described as well as the way in which residents dealt with new challenges such as treatment of the wounded and the influx of prisoners of war When the British troops under Lord Roberts began their inexorable march towards Pretoria the people were thrown into panic Would the town be defended and if so what would become of them As Roberts drew ever nearer tension and dismay gave way to utter disbelief when President Kruger and his senior government officials left and the republic's funds were removed from the National Bank There is also insight into why this general state of panic flared up into a period of crazy looting and disorder at the end of May 1900 Finally you will read of the occupation of Pretoria and how the ordinary people reacted when Roberts's weary troops plodded into Church Square in their thousands on the winter afternoon of 5 June 1900

This is a story a true story of how the people of Pretoria dealt with a crisis situation more than a hundred years ago The Boer War has direct mirrors in the US war of independence This book has a unique focus on one town and its citizens and is relevant to all military historians throughout the world as the lessons can be extrapolated
