Library,1975 Canoe Nation Bruce Erickson,2013-06-15 More than an ancient means of transportation and trade the canoe has come to be a symbol of Canada itself In Canoe Nation Bruce Erickson argues that the canoe s sentimental power has come about through a set of narratives that attempt to legitimize a particular vision of Canada that overvalues the nation s connection to nature From Alexander Mackenzie to Grey Owl to Pierre Elliott Trudeau the canoe authenticates Canada s reputation as a tolerant environmentalist nation even when there is abundant evidence to the contrary Ultimately the stories we tell about the canoe need to be understood as moments in the ever contested field of cultural politics **Samuel de Champlain Father of New France** Samuel Eliot Morison,1972
