Samuel Gompers Papers The American Federation Of Labor Under Seige 1906 09:

The Samuel Gompers Papers Samuel Gompers, 1986 With almost forty years experience as a labor leader by 1909 Samuel Gompers had learned the value of practical achievements Shorter hours higher wages safer and more sanitary workplaces and a voice in establishing working conditions were the hallmarks of trade unionism in the Progressive Era and these hard won incremental gains had significantly improved working class lives While these were not all he hoped to achieve they represented Gompers believed essential victories in a bitter class struggle that was far from over This installment of the multivolume documentary history of the nation s premier labor leader covers a period marked by industrial tragedies such as the 1909 Cherry Hill mine disaster and the 1911 Triangle Shirtwaist fire and industrial violence including the 1910 bombing of the Los Angeles Times building These years were punctuated by hard fought strikes and judicial proceedings directed against trade unionists most notably the Danbury Hatters and Buck s Stove cases and the prosecution of the McNamaras For Gompers these were demanding years that taxed his health and energy but ultimately strengthened his resolve as he became a crucial player in the AFL s efforts to establish collective bargaining as the basis of industrial democracy **The Samuel**

Gompers Papers: Teh American Federation of Labor under seige, 1906-9, 1986 *AFL-CIO's Secret War Against Developing Country Workers* Kim Scipes, 2011-01-01 This book examines the themes of imperialism and empire from the perspective of the foreign policy program of organized labor in the United States It details efforts to make real popular democracy within Labor The author calls for American workers to join the global movement for economic and social justice and to extend globalization from below against the values and activities of the top down and destructive military corporate globalization that has been sweeping the world for years **The Selected Works of Eugene V. Davenport, David Walters, 2025-12-16 Volume 4 Red Union Red Paper Red Train 1905 1910 gathers for the first time approximately 180 articles speeches letters and interviews from the prime years of American socialist and labor leader Eugene V Debs These include materials relating to some of the great events for which the Indiana orator is best remembered the founding of the Industrial Workers of the World the red union his move from freelance oratory to employment on the staff of the mass circulation Appeal to Reason the red paper and his coast to coast 1908 campaign for president of the United States aboard the legendary Socialist Red Special the red train These were years of bitter struggle between concentrated capital and the fragmented and exploited labor movement The period was marked by the illegal arrest and secretive extradition of Western Federation of Miners officials Charles H Moyer and William D Haywood in 1906 and the sensational legal proceedings which followed activity which garnered Debs full commitment for more than a year **Death and Dying**

in the Working Class, 1865-1920 Michael K. Rosenow, 2015-04-15 Michael K Rosenow investigates working people s beliefs rituals of dying and the politics of death by honing in on three overarching questions How did workers their families and their communities experience death Did various identities of class race gender and religion coalesce to form distinct

cultures of death for working people And how did people s attitudes toward death reflect notions of who mattered in U S society Drawing from an eclectic array of sources ranging from Andrew Carnegie to grave markers in Chicago s potter s field Rosenow portrays the complex political social and cultural relationships that fueled the United States industrial ascent The result is an undertaking that adds emotional depth to existing history while challenging our understanding of modes of cultural transmission
