Samuel Morris Missionary To America:

Samuel Morris W. Terry Whalin, 2006-01-01 A biography of the son of a Kru village chief who escaped from his cruel captors in Liberia and who was eventually led by the Holy Spirit to make his way to the United States where he in turn led many to God

Samuel Morris Terry Whalin, 1996 *Samuel Morris* Kjersti Hoff Baez, 2003-09 From slavery to salvation the story of young Prince Kaboo later named Samuel Morris is a testament to the power of enduring faith

Samuel Morris W. Terry Whalin, 1996 The story of an African prince who through God's intervention and guidance came to America as a student missionary

Samuel Morris Lindley Baldwin, 1987-03-01 The extraordinary story of the young African who came to be called The Apostle of Simple Faith While most missionary biographies detail the lives of Western missionaries this is the story of the African missionary that God called to the United States when slavery and segregation were a way of life Previously published under the title *The March of Faith* this book details the moving life story of Samuel Morris After a miraculous escape from certain death during the ravages of intertribal warfare in Liberia Africa Kaboo was converted to Christ by Methodist missionaries and baptized under the name Samuel Morris Traveling to America for pastoral training in the late 1880s his trip was a missionary voyage in itself when several seamen were led to Christ through his godly life At Taylor University his example of faith made him a leader among the students and a challenge to the faculty An unforgettable biography which shows Christ's love felling all racial barriers

Samuel Morris Stephen Merritt, 1908 **Glimpses of the Life of Samuel Morris** Hannah Perot Morris, 1907 *Revive! the Oracles of God* Ozakieoniso Charlie, 2013-05-08 I believe that the next revival will come on a personal level for everyone who will pick up his or her bible daily to read study and meditate Engage in personal times of prayer day and night move from selfish Christianity to the place of personal service of others and the will and purpose of the Lord Throughout the Bible we see the Lord moved in the situation of his people when they return to the ordinances of His word for guidance in correction of their ways or even for a new beginning when they have engaged God in prayer and when they have stepped out to do his will I believe that these three constants of our Christian faith also double as oracles of God because in them the power of God is made alive divine answers messages and burdens are granted to those who will diligently ask seek and knock I believe that these three are oracles in their individual standings but never to be practiced individually Rather when all three are embraced as a lifestyle there will be a threefold release of the power of God Revival will break forth within individuals and hence the entire body of Christ This book is a holy cry for the people of God to avail themselves of these one on one connections with the almighty Through his oracles

The Ebony Saint: Samuel Morris's Miraculous Journey of Faith Lindley J. Baldwin, 1967 **The American Church History Series: A history of American Christianity, by L.W. Bacon** Philip Schaff, 1898 [A History of American Christianity](#) Leonard Woolsey Bacon, 1899 **Movies on a Mission** Glenn Reynolds, 2023-09-25 This investigation into the little known genre of mission oriented films uncovers how Protestant missionaries overseas sought to bring back motion picture footage

from remote parts of the world In the broader religious community mission films aimed to educate congregants back home about efforts to evangelize communities around the world This book however demonstrates the larger impact of mission films on American visual culture The evolution and development of the genre is highlighted from an early emphasis on foreign views in the 1910s to interwar films providing a more detailed look at how mission stations functioned in far flung lands to Cold War productions which at times functioned as veritable propaganda tools parroting anti communist discourse emanating from the CIA

The American Church History Series ,1897 **A Religious History of the American People** Sydney E. Ahlstrom,2004-01-01 This classic work winner of the 1973 National Book Award in Philosophy and Religion and Christian Century s choice as the Religious Book of the Decade 1979 is now issued with a new chapter by noted religious historian David Hall who carries the story of American religious history forward to the present day Praise for the earlier edition An unusual and praiseworthy book It takes a modern almost anthropological view of history in which worship is a part of a web of culture along with play love dress and language B A Weisberger Washington Post Book World The most detailed most polished of the works in its tradition Martin E Marty New York Times Book Review An intellectual delight that one does not so much read as savor America The definitive one volume study by the leading authority Christianity Today No one writing or thinking hereafter about America s past will be able to ignore Ahlstrom s magisterial account of the religious element American Historical Review
