## **Sanchez And Other Stories:**

Abel Sanchez and Other Stories Miguel De Unamuno, 2015-11-17 Delves into three of Spanish philosopher Miguel de Unamuno's most haunting parables. This essential Unamuno reader begins with the full-length novel *Abel Sanchez*, a modern retelling of the story of Cain and Abel. Also included are two remarkable short stories: *The Madness of Doctor Montarco* and *San Manuel Bueno, Mártir*, featuring quixotic philosophically existential characters confronted by the dull ache of modernity. Translated by Anthony Kerrigan and with an insightful introduction by Mario J. Valdes.

**Womanhoods and Equality in the United States** Christen Bryson, Anne Légier, Amélie Ribieras, 2024-03-15 *Womanhoods and Equality in the United States* explores how the idea of equality has evolved along with the debates that have animated contemporary American women's history. This book argues that womanhood is neither a unified concept nor a monolithic experience but rather a multifaceted notion. This collection thus looks at this plural dimension of womanhood, womanhoods, with a special focus on equality as a common goal. The authors question what equality means depending on many factors such as race, class, sexuality, education, marital or parental status, physical appearance, and political orientation, and address timely issues including abortion rights, Black womanhood, and sexual violence on college campuses. *Womanhoods and Equality in the United States* is an essential resource for academics and students in gender studies, American sociocultural history, and the sociology of social movements.

*Abel Sánchez* Miguel de Unamuno, 2009 Miguel de Unamuno 1864-1936 is the towering intellectual giant of early twentieth-century Spain. He wrote novels, plays, poetry, and many essays, but is best remembered for his fictional works and for his major philosophical meditation on the nature of existence, *Abel Sanchez*. First published in 1917, it is perhaps Unamuno's most intense expression of the tragic sense. It is the story of one man suffering, born of his obsessive envy of his friend and the consequences of this for him and for those around him. The novel explores themes of identity, personal insecurity, inner and outer relationships, and otherness, dissected with an intensity and a passion that can leave no reader unaffected. John Macklin's edition provides a new English translation alongside the Spanish text, together with a substantial introduction.

**African-American Writers** Philip Bader, 2014-05-14 African American authors have consistently explored the political dimensions of literature and its ability to affect social change. African American literature has also provided an essential framework for shaping cultural identity and solidarity. From the early slave narratives to the folklore and dialect verse of the Harlem Renaissance to the modern novels of today.

**Chiriaco Summit** Mary Contini Gordon, 2017-08-01 Wine was free but we had to pay for water. Joe Chiriaco and his thirteen siblings heard this from their Italian immigrant father as he recounted his ocean journey to America. In the face of limited water and rudimentary dirt roads, Joe and his Norwegian wife Ruth Bergseid founded Chiriaco Summit in the 1930s, a desert travel oasis on today's Interstate 10 between Phoenix and Los Angeles, promising to serve the world on wheels. The twenty-four, seven challenges are lightened with the courtship of two feisty lovers, the frolicking of youngsters in the desert.
