Seabird Nine James McVean,1981 **Them** Jon Ronson,2002 In the tradition of Bill Bryson a fascinating and frequently hilarious look at extremists around the globe and the conspiracy theory that unites them Journalist Jon Ronson the mild mannered but ironic observer learns some alarming things about the looking glass world of them and us Are the extremists onto something Or has Ronson become one of Them Jon Ronson's Adventures With Extraordinary People Jon Ronson,2012-12-06 Jon Ronson s Adventures With Extraordinary People collects together in a single volume three of Jon Ronson s bestselling titles Them The Men Who Stare at Goats and The Psychopath Test Them charts Jon s discovery that extremists Islamic fundamentalists neo Nazis Ku Klux Klansmen all have one oddly similar belief that a tiny shadowy elite rule the world from a secret room And so Jon sets out to locate that room Chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp Jon s journey is creepy as well as comic and perhaps the extremists are on to something The Men Who Stare at Goats tells the unbelievable story of the First Earth Battalion established by the US Army in 1979 as a secret unit they defied all known military practice and even the laws of physics in their belief that a soldier could become invisible pass through walls and kill goats just by staring at them And as Jon discovers they really weren t joking The Psychopath Test sees Jon set out on an utterly compelling adventure into the world of madness He meets psychopaths those whose lives have been touched by madness and those whose job it is to diagnose it from whom Jon learns the art of psychopath spotting And it soon becomes clear that madness could indeed be at the heart of everything Often funny sometimes chilling and always thought provoking these books combine Jon s trademark humour charm and investigative incision whilst asking some very serious questions The belly laughs come thick and fast my God he is funny Observer
