Sealy And Hooley Commercial Law Text Cases And Materials:

Sealy and Hooley's Commercial Law David Fox, Baris Soyer, Roderick Munday, Andrew Tettenborn, Peter Turner, 2020
Sealy and Hooley's Commercial Law Text Cases and Materials provides students with an extensive and valuable range of extracts from key cases and writings in this most dynamic field of law. The authors' expert commentary and questions enliven each topic while emphasizing the practical application of the law in its business context. Five renowned experts in the field continue the legacy of Richard Hooley and Len Sealy capturing the essence of this fascinating topic at a time of significant legislative, regulatory and political change. *Commercial Law* L. S. Sealy, R. J. A. Hooley, 2009
Commercial Law Text Cases and Materials has been an indispensable and hugely popular resource for students of law and business management for over ten years. Combining extracts from cases and other materials with substantial commentary and explanatory text, Sealy and Hooley provide context for the extracts, question their significance and provide an authoritative guide to commercial law. This book follows a very clear structure, discussing topics covered on commercial law courses not as separate entities but as part of a coherent whole, enabling students to easily make links between different areas of the law. Fundamental concepts such as ownership, possession and good faith run through the book, offering common themes connecting each area. The authors supply extensive commentary on key decisions, helping students to focus on the most important areas. Also provided are European and American examples, ensuring that students have access to a comparative analysis of commercial law as it operates throughout the world. Praised for the clarity of writing and mapping well onto a variety of courses, the emphasis throughout this book is on practical application: how is the law used in practice? Diagrams and questions enable students to check progress and consolidate understanding. Whilst maintaining the previous edition's successful structure and style, this edition takes into account all of the major changes in the law since 2003 and provides extracts from recent key cases. Sealy and Hooley's Commercial Law brings together the best features of a textbook and casebook, making it an invaluable one-stop resource.

Commercial Law M. A. Clarke, R. J. A. Hooley, R. J. C. Munday, L. S. Sealy, P. G. Turner, A. M. Tettenborn, 2017
Commercial Law Text Cases and Materials provides students with an extensive and valuable range of extracts from key cases and writings in this most dynamic field of law. The authors' expert commentary and questions enliven each topic while emphasizing the practical application of the law in its business context. Len Sealy and Richard Hooley have been joined by four renowned experts in the field for the preparation of this edition. The authors have captured the essence of this fascinating topic at a time of significant legislative, regulatory and political change. [The Principles of Personal Property Law](#) Duncan Sheehan, 2017-05-18
The law of personal property covers a very wide spectrum of scenarios and unfortunately has had little detailed scrutiny of its overarching structure over the years. It is a system and can best be understood as a system. Indeed, without understanding it as a system, it becomes much more difficult to comprehend. The second edition of this acclaimed textbook continues to provide a comprehensive yet detailed coverage of the law of personal property in England.

and Wales It includes transfer of legal title to chattels the nemo dat rule negotiable instruments and assignment of choses in action It also looks at defective transfers of property and the resulting proprietary claims including those contingent on tracing the tort of conversion bailment and security interests By bringing together areas often scattered throughout company law commercial law trusts and tort textbooks it enables readers to see common themes and issues and to make otherwise impossible generalisations across different contexts about the nature of the concepts English law applies Throughout the book concepts are explained rigorously with reference to how they are used in commercial practice and everyday life The new edition also includes a new chapter on secured transactions law reform and introduces new material on the Cape Town Convention IP rights and other intangible property The book will be of primary interest to academics and practitioners in the area However it will also be of use to students studying commercial or personal property law

Die Sicherungsfunktion der Floating Charge in Deutschland Fritz Kleweta, 2018-05-18 English summary In German legal literature the floating charge has been discussed mainly with regard to its all assets encompassing scope Its actual value for a secured party the right to appoint an administrator or administrative receiver has rarely been discussed Fritz Kleweta shows how the concept could be implemented in Germany German description Die Floating Charge des englischen Rechts ermöglicht es einem Sicherungsnehmer durch einen einfachen Vorgang das gesamte Vermögen einer englischen Limited im In und Ausland zu besichern Dabei gewährt sie ihm in der Insolvenz des Sicherungsgebers jedoch lediglich ein sehr eingeschränktes Vorrecht Daher greift die Kreditpraxis häufig nur im Hinblick auf solche Vermögensgegenstände auf die Floating Charge zurück die nicht ohnehin anderweitig erstrangig dinglich besichert werden können Der massgebliche Vorteil dieses Sicherungsmittels liegt dagegen in der Möglichkeit zur Bestellung eines Unternehmensverwalters Der Unternehmensverwalter ersetzt dabei weitgehend die Geschäftsführung und ist nicht an Weisungen der Gesellschafter gebunden Idealerweise führt er das Unternehmen zurück in die Profitabilität oder verwertet die Floating Charge wenn der turn around nicht mehr möglich scheint Fritz Kleweta analysiert die Möglichkeit einer Floating Charge über das Vermögen einer Limited die den Mittelpunkt ihrer hauptsächlichen Interessen in Deutschland hat CoMI und zeigt inwiefern ein Unternehmensverwalter auch in Deutschland eingesetzt werden konnte
