Search For God:

Searching for God Gregory C. Higgins, 2014 Searching for God draws upon the traditional categories of systematic theology as it guides readers through the Catholic theological thought process involved in the search for God At each step we examine the work of a past thinker from the time of the early church up to the early twentieth century and a present thinker whose works are often required reading in theology courses Not only do readers have the opportunity to critically evaluate several important theological works in the Catholic tradition they can also enter into dialogue with those works as they engage in their own search for God Provided by publisher *Searching for God, the Precious Treasure, in My Daily Life* Reverend Peter G. Vu, 2019-03-26 In an increasingly tumultuous world knowing God is by your side can make an enormous difference bringing strength comfort and peace In *Searching for God the Precious Treasure in My Daily Life* Rev Peter G Vu helps you see God's presence in everyday events and find the encouragement necessary to thrive in times of challenge Through prayer acts of charity and interactions with others you will see that God is before you behind you and all around you a benevolent guiding force to help you walk the path of the righteous A portion of the proceeds from book sales will benefit the American Red Cross and the Catholic Relief Services in addition to other charities *A Search for God in Time and Memory* John S. Dunne, 1975 *In Search of God's Will* Trevor Hudson, 2024-11-05 Have You Ever Asked What Is God's Will for My Life A trusted voice of the Christian faith in spiritual formation and discipleship deeply shaped by the wisdom of Dallas Willard and St Ignatius Trevor Hudson has crafted a user's guide to discern God's personal will for our lives After serving the local congregation as a Methodist pastor in South Africa for almost fifty years Trevor now lectures teaches and offers spiritual retreats both locally and internationally Over the years this question about discerning God's will is one that he has heard again and again In *Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life ultimately helping you to become the unique person God wants you to be You'll be equipped and encouraged in your faith on how to align your heart with the heart of God attune yourself to your calling listen to God in Scripture pray the Scriptures pay attention to the movements of the Spirit in your heart uncover and exercise your God-given giftedness notice God's presence and activity in daily life engage in sacred conversations with trusted companions make faithful decisions take the initiative when God seems silent and more Each concept includes a discernment exercise so that you can experience what you are learning If you have ever wondered about God's personal will for your life how your desires and God's desires intersect and how God is present and active around you In *Search of God's Will* can help you catch glimpses of what it means to become the person that from eternity you were destined to be *Search for God Ending in Jesus* Mani Augustine Chilampikunnel PH.D, 2015-12-30 This book is designed to assist those sincerely seeking God in their lives It is not written for scholars researchers or critics but for the common men and women who are yearning to establish an intimate relationship with God while going about their daily lives In addition
