Search For Significance Devotional Journ:

The Search for Significance Devotional Journal Robert McGee, 2003-07-15 In Robert McGee's best selling book *The Search for Significance* he helps readers realize the fact that they will never be content if they search for their significance in accomplishments or the opinions of others. Instead God has given them significance and worth through the work of Christ on the cross. Because of McGee's classic book more than two million readers have learned what it means to be free to enjoy Christ's love and forgiveness. Now McGee invites readers of his book to go on a 10 week journey of reflection, discovery and ultimately victory as they learn how to implement on a daily basis the principles of *The Search for Significance*. Each page of this valuable companion to *The Search for Significance* includes thought provoking questions, essential biblical truths, space for readers to reflect on how God is calling them to a deeper realization of his love for them. Daily Prayer. *The Search for Significance* Robert McGee, 2003-07-15 We are all searching for significance to ourselves, to others, to our community and to our world. Discover what three million readers have already discovered: that true significance is found only in Christ. Robert McGee's bestselling book has helped millions of readers learn how to be free to enjoy Christ's love while no longer basing their self-worth on their accomplishments or the opinions of others. In fact, Billy Graham said that it was a book that should be read by every Christian. What makes this book so uniquely powerful is understanding that the journey begins in a very private place: your thoughts. When I fail at something I feel lousy about myself. When others do not approve of me I can't seem to get over it. Sometimes it feels like I'll never measure up. These are the universal lies that trigger the cycle of self-doubt, robbing you of joyful living. Now you can free yourself from these self-defeating lies. One by one *The Search for Significance* confronts these lies, dismantles them and points you to a higher truth that is the source of life's meaning. It points you to Almighty God, the source of life itself. In this re-launch of this timeless classic you will gain new skills for getting off the performance treadmill. Discover how four false beliefs have negatively impacted your life. Learn how to overcome obstacles that prevent you from experiencing the truth that your self-worth is found only in the love, acceptance and forgiveness of Christ. With a hands-on workbook and new revised material now is the perfect time to discover *The Search for Significance*. If you've already encountered its life-changing truths there is no better time to explore them all over again, enriching your life in the process. Your own journey begins with this step. Other products in the *Search for Significance* family of products include a devotional journal and youth edition. AARP *The Seven S.E.C.R.E.T.S. of the Money Masters* Robert Shemin, 2011-12-19 AARP Digital Editions offer you practical tips, proven solutions and expert guidance. The fact is information is power. And the truth is there's lots of financial advice available. Unfortunately it's often either too confusing or biased. *The Seven S.E.C.R.E.T.S. of the Money Masters* cuts through the clutter, clearly presenting the seven most important questions you must be able to answer before making any investment decision. The book offers you some of the information that true money masters know, understand and use to their advantage but that hasn't necessarily been passed along to the rest of us. Engaging and

informative the book Shines a light on the much broader issues of attaining wealth and getting your retirement plans back on track Offers access to the S E C R E T S website which includes additional resources and access to exclusive debt reduction software The Seven S E C R E T S of Money Masters goes where most personal finance books and financial advisors fear to tread revealing the S E C R E T S of Safety Expense Cash Flow Rate of Return Economy Tax Efficiency and common Sense
