Craddock,2001-08 *Life* ,1964-05 Chicago Tribune Index ,1993 **The American Film Institute Catalog of Motion Pictures** Kenneth White Munden (ed),1976 **The Boston Strangler** Gerold Frank,2016-07-05 The New York Times bestselling account of the serial killer s rampage and the ensuing manhunt Now a Hulu true crime thriller starring Keira Knightley On June 14 1962 twenty five year old Juris Slesers arrived at his mother s apartment to drive her to church But there was no answer at the door When he pushed his way inside Juris found Anna Slesers dead on the kitchen floor the cord of her housecoat knotted tightly around her neck Over the next two years twelve more bodies were discovered in and around Boston all women all sexually assaulted and all strangled None of the victims exhibited any signs of struggle nothing

was stolen from their homes and there were no signs of forcible entry The police could find no discernable motive or clues Who was this madman How was he entering women s homes And what insanity was driving him Drawn from hundreds of hours of personal interviews as well as police medical and court documentation this is a grisly horrifying and meticulously researched account of Albert DeSalvo an American serial killer on par with Jack the Ripper **The Beast in Boston** True Crime Press,2023-03-24 The Beast in Boston Uncovering the Truth Behind the Boston Strangler is a gripping true crime account that delves into one of the most notorious serial killer cases in American history From the first murder to the eventual confession of Albert DeSalvo this book takes readers on a journey through the dark and twisted mind of the Boston Strangler But the story doesn t end there The Beast in Boston explores the possibility that there may have been more than one killer responsible for the murders and raises important questions about the reliability of DNA evidence in criminal investigations In addition to providing a comprehensive overview of the murders The Beast in Boston also sheds light on the remarkable women journalists who played a key role in uncovering the truth about the Boston Strangler Their determined efforts to bring the killer to justice offer a powerful testament to the power of investigative journalism With meticulous attention to detail and a deep understanding of the complexities of criminal investigation The Beast in Boston is a must read for anyone interested in true crime criminal psychology or the history of law enforcement in America The Boston Strangler Charles River Charles River Editors,Zed Simpson,2017-03-25 Includes pictures Includes contemporary newspaper reports about the crimes Includes online resources and a bibliography for further reading Includes a table of contents It wasn t as dark and scary as it sounds I had a lot of fun killing people is a funny experience Albert DeSalvo I did this not as a sex act but out of hate for her I don t mean out of hate for her in particular really I mean out of hate for a woman Albert DeSalvo The story reads like something out of a mini series The police are called to the home of an elderly woman who has been raped and strangled She s a socialite and popular in among the Boston upper crust As the grizzled detective stand over her body wondering who would do something like this someone mentions that there was a similar case recently except that time the victim was a lower middle class immigrant woman He wonders briefly if there is a pattern and hopes there isn t but before long there s a third victim and then a fourth At first the women are all elderly and the police psychologist postulates that the culprit has some sort of hatred for his own mother and therefore attacks motherly figures The police begin to track down mental patients with histories of violence and question them about their whereabouts but there is no one suspect even as more bodies pile up in the morgue Then suddenly there s a change and young women start turning up dead changing the whole approach to the case As tension in the city builds the mayor and other civic leaders begin demanding action even as another young woman dies followed in short order by an elderly one Young women start refusing dates and looking under their beds at night while older ladies refuse to open their doors to anyone The city is in turmoil and the police are at a loss about what to do next but just as quickly as they started the murders stopped after 13 confirmed victims Just as that

description makes it sound the case of the Boston Strangler is as confusing and mystifying as it is terrifying In fact the mythology and debate lingering over the crime spree only heightened when Albert DeSalvo confessed to the crimes provided both accurate and inaccurate details about some of them and had his DNA tied to several of the crime scenes However before DeSalvo himself was murdered by an unknown assailant in jail in 1973 he had recanted his confession and ultimately he was never tried for the murders in Boston 50 years after the Boston Strangler stopped killing investigators and amateurs alike are still debating the very messy and all too real 18 month reign of terror that gripped the city of Boston in the early 1960s and haunts many to this day Even in the wake of DeSalvo s confession and in part because of the various inaccuracies he told authorities people continue to argue whether he was the Boston Strangler or even if the Boston Strangler was just one killer given the seemingly different M O s used in some of the crimes The Boston Strangler The History and Mystery of the Notorious Crime Spree covers the crimes of one of America s most infamous serial killers Along with pictures of important people places and events you will learn about the Boston Strangler like never before
