Seashore Chronicles:

Shipwrecks, Sea Raiders, and Maritime Disasters Along the Delmarva Coast, 1632-2004 Donald G.

Shomette, 2007-12-17 Featuring the accounts of twenty five ill starred vessels some notorious and some forgotten until now this anthology provides a fascinating history of a local maritime culture and charts how the catastrophic events along the Delmarva coast significantly affected U S merchant shipping as a whole **A Modern Chronicle** Winston Churchill, 1910 1910 American novelist noted for his widely successful historical romances The story begins Honora Leffingwell is the original name of our heroine She was born in the last quarter of the Nineteenth Century at Nice in France and she spent the early years of her life in St Louis a somewhat conservative old city on the banks of the Mississippi River Her father was Randolph Leffingwell and he died in the early flower of his manhood while filling with a grace that many remember the post of United States Consul at Nice As a linguist he was a phenomenon and his photograph in the tortoiseshell frame proves indubitably to any acquainted with the fashions of 1870 that he was a master of that subtlest of all arts dress He had gentle blood in his veins which came from Virginia through Kentucky in a coach at six and he was the equal in appearance and manners of any duke who lingered beside classic seas See other titles by this author available from Kessinger Publishing

Rockaway Beach Vivian Rattay Carter, 2012 Chronicling the story of New York s beloved Rockaway Beach community and the efforts to recapture the magical success from an earlier era The American frontier did not just consist of a prairie it also included marshes and windswept sand dunes When the earliest settlers arrived at Rockaway Beach on steamships in the mid 1800s it was a narrow strip of land packed with ponds and covered with dunes Within 30 years the community had grown into a wildly popular resort served by a thriving rail line Amusement parks hotels taverns and dance halls abounded as did bungalow courts and open air tent colonies In the 1960s the area was disrupted by urban development efforts and transportation infrastructure had declined Today Rockaway Beach is being rediscovered by a new generation of visitors and entrepreneurs as longtime residents work simultaneously to reinvigorate it **The Stories They Told** Josh

Raimonde, 2008-07-09 The residents of Garden Gate never miss an episode of their favorite television show But when a storm knocks out the power in their building they decide to create their own entertainment The stories they told that night include a lovable pet duck a very unconventional birthday party a couple of accidents and slew of other childhood memories that have stood the test of time With its perfect blend of humor and nostalgia this endearing collection of stories will be sure to delight both the young and the young at heart This feeling of nostalgia which is evident throughout the book is perhaps best summed up by the following poem from the chapter Eloise s Notebook Before Before I had a car I could go anywhere My imagination Would always take me there Before I had awareness I smiled all day long Before I knew the lyrics I enjoyed the song Before I had money I didn t need a dime Before I owned a watch I always had the time *Gardener's Chronicle of America* , 1947 The Chronicle , 1887 **Location Filming in Long Beach** Tim Grobaty, 2012-11-20 Long Beach s
