Autumn's Journey Craig D. Lounsbrough, 2017-11-15 WE LIVE IN A CULTURE THAT IS DESPERATE TO AVOID LOSS We choose to fight it because we assume that it has come only to unfairly steal and inflict terrible pain Loss is seen as the rogue enemy and heartless foe rather than an opportunity for immense and improbable growth It s in loss that some of the richest and rarest of life s lessons lay buried eagerly waiting to be deeply mined and unearthed In the deepest pain God does the deepest work An Autumn s Journey Deep Growth in the Grief and Loss of Life s Seasons does not loosely gloss over loss or provide shallow prescriptions and weak formulas for our grieving Rather it aggressively embraces both grief and loss bringing fresh eyes to these times in our lives in order to draw out of them the marvelous riches that we all too often miss

Why Can't You!!* Armando LaChina,2022-11-03 Since my arrival in the US in late 1954 I lived worked and was educated in the greatest city of the world New York City Twenty years later while managing the most exclusive tennis club of Manhattan I had the winter off that made me head south to Florida and the sun shine It was only a few days after that I learned about the construction of the largest complex of tennis and living quarters in Fort Lauderdale a large city north of Miami The Florida weather and magnificent amenities of the club made it impossible to resist so I bought an apartment there Fifty years later I am still living there where in 1988 I made it my only home The book describes the pain to say goodbye to the city that saw my second birth and for which I nurtured still much nostalgia for the years I happily spent there Now after many vicissitudes I am still happily living at the Lauderdale Tennis Club Monika McGowan my companion a Colombia University graduate who throughout the seven years in the writing of this book was an indispensable help I take this opportunity to thank her for her contribution As far as the book is concerned I hope that the contents in it will inspire people who create insurmountable obstacles rather than looking at the opportunities before them Those who can change their negative view can then achieve their ultimate goals *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1887 **Open Season** Norman Moser, 1980 *A Tanner's Worth of Tune* Adrian Wright, 2010 This book is not an encyclopaedia of the British musical in the twentieth century but an examination of its progress as it struggled to find an identity It shows how the British musical has reacted to social and cultural forces suggesting that some of its leading composers such as Lionel Bart and Julian Slade contributed much more to the genre than has previously been acknowledged As the British musical veered between opera light opera operetta spectacle with music kitchen sink musical research musical adaptations of classic novels socially conscious musicals et al this fresh assessment of the writers and their work offers a new understanding of the art publisher description
