## Sebastopol Sketches:

**History and Myth in Pictorial Narratives of the Russian 'Patriotic War', 1812-1914** Andrew M. Nedd, 2024-07-08

This book reveals that the visual narrative of the events of the Russian campaign of 1812 was inextricably linked to Russia's search for national identity and helped to form competing definitions of Russianness. No pre-revolutionary military event was more celebrated in Russian literature and art than the Patriotic War of 1812 during which Napoleon advanced his Grand Armée into Russia only to retreat months later in defeat as his army faced starvation and capture during the brutal winter. The works of art that retold the story of 1812 extolled virtues that were represented as inherently Russian: courage, resourcefulness, and unity. Furthermore, these values were increasingly contrasted with those of the foreign invader from the west. While the emphasis is largely on academic painting, this book also explores popular media and memorialization in order to reveal the role that images played in the process of constructing identities in nineteenth-century Russia.

Leo Tolstoy, 2013      Ideas and Realities in Russian Literature Peter Kropotkin, Victor Robinson, 2020-05-26

*Ideas and Realities in Russian Literature* is a 1906 work by Russian historian and anarchist philosopher Peter Kropotkin. Within it, Kropotkin presents a broad general idea of the subject by examining modern literature and its most notable contributors. This volume will appeal to those with an interest in Russian literature and is not to be missed by collectors of Kropotkin's seminal work. Pyotr Alexeyevich Kropotkin (1842–1921) was a Russian writer, activist, revolutionary, economist, scientist, sociologist, essayist, historian, researcher, political scientist, geographer, biologist, philosopher, and advocate of anarcho-communism. He was a prolific writer producing a large number of pamphlets and articles, the most notable being *The Conquest of Bread* and *Fields, Factories, and Workshops*, and *Mutual Aid: A Factor of Evolution*. This classic work is being republished now in a new edition complete with an excerpt from *Comrade Kropotkin* by Victor Robinson.

*The Crimean War and Cultural Memory* Sima Godfrey, 2023-08-31

The Crimean War (1854–56) is widely considered the first modern war with its tactical use of railways, telegraphs, and battleships; its long-range rifles; and its notorious trenches, precursors of the Great War. It is also the first media war: the first to know the impact of a correspondent on the field of battle and the first to be documented in photographs. No one, however, including the French themselves, seems to remember that France was there fighting in Crimea, losing 95,000 soldiers and leading the Allied campaign to victory. It would seem that the Crimean War has no place in the canon of culturally retained historical events that define modern French identity. Looking at literature, art, theatre, material objects, and medical reports, *The Crimean War and Cultural Memory* considers how the Crimean War was and was not represented in French cultural history in the second half of the nineteenth century. Ultimately, the book illuminates the forgotten traces that the Crimean War left on the French cultural landscape.

**Florence Nightingale: The Crimean War** Lynn McDonald, 2010-12-21

Florence Nightingale is famous as the lady with the lamp in the Crimean War.

1854 56 There is a massive amount of literature on this work but as editor Lynn McDonald shows it is often erroneous and films and press reporting on it have been even less accurate The Crimean War reports on Nightingale s correspondence from the war hospitals and on the staggering amount of work she did post war to ensure that the appalling death rate from disease higher than that from bullets did not recur This volume contains much on Nightingale s efforts to achieve real reforms Her well known and relatively sanitized evidence to the royal commission on the war is compared with her confidential much franker and very thorough Notes on the Health of the British Army where the full horrors of disease and neglect are laid out with the names of those responsible      Catalogue of Printed Books British Museum,1897      **Handwörterbuch der gesamten Militärwissenschaften** Poten,1879      **Sevastopol Sketches (Crimean War History)** Leo Tolstoy,2018-07-11

In the Sevastopol Sketches Leo Tolstoy evocatively recollects his experiences at the Siege of Sevastopol in 1854 1855 over the course of three short stories Although the trio of tales which comprise the Sevastopol Sketches are ostensibly fictional and written in the second person they accurately recall Tolstoy s experiences as a young man witnessing the Crimean War All three possess philosophical overtones with the overarching theme being a vilification of war as a wasteful senseless and foolish expenditure of human life The Sevastopol Sketches establish Tolstoy as a pacifist who considered war to be one of the most depraved and lamentable events characterizing mankind Years after publishing these sketches Tolstoy would draw upon the Siege of Sevastopol as a critical supplement to the narrative of his epic novel War and Peace      *Russian Literature* Kropotkin Peter Kropotkin,2021-02-15 Introduction by George WoodcockIn this work Peter Kropotkin is propounding the thesis that in Russia literature occupies a inique position because it is the only way of reflecting the real currents of intellectual development and of underground political opinion The consequence he feels has been that the best minds of the country have chosen the poem the novel the satire or literary criticism as the medium for expressing their aspirations their conceptions of national life and their ideals Concentrating on content rather than on form on intention rather than achievement Russian Literature provides a fair and comprehensive introduction to Russian writing up to the end of the nineteenth century Almost every poet and prose writer of any significance is discussed Pushkin Lermontoff Gogol Turgueneff Tolstoy Dostoyevsky and every class of literature is included criticism as well as novels and political writings as well as poetry Table of ContentsPrefaceThe Pronunciation of Russian NamesAn Introduction by George WoodcockChapter I IntroductionChapter II Pushkin and LermontoffChapter III GogolChapter IV Turgueneff TolstoyChapter V Gontcharoff Dostoyevskiy NekrasoffChapter VI The DramaChapter VII The Folk NovelistsChapter VIII Political Literature Satire Art Criticism Later Period NovelistsBibliographical NotesAppendicesIndex1991 385 pages index      *Florence Nightingale* Florence Nightingale,2010-12-21 Emissions data 2006 from the Energy Information Administration population 2007 from the Population Reference Bureau Chart prepared by Lynn McDonald and Patricia Warwick      *Handwörterbuch der gesamten Militärwissenschaften* Bernhard von Poten,1878      **Historical and Descriptive Sketch of Sonoma County, California**
