New Power Jeremy Heimans, Henry Timms, 2018-04-19 For most of human history the rules of power were clear power was something to be seized and then jealously guarded Under this Old Power we lived in a world of rulers and subjects Now we all sense that something has changed From MeToo to Harvey Weinstein Corbyn to Trump from YouTube sensations to darker phenomena such as the emergence of ISIS in our new hyper connected world ideas and movements can spread and flourish with astonishing force and speed In New Power Jeremy Heimans and Henry Timms confront the biggest story of our age and trace how New Power is the key to understanding where we are and will prosper in the 21st Century Drawing on examples from business politics popular culture and social justice as well as case studies of organisations like LEGO and TED they explain the forces that are changing the course of our age In a world increasingly shaped by New Power this book will show you how to shape your future

**Uber—Brave New Service or Unfair Competition** Jasenko Marin, Siniša Petrović, Mišo Mudrić, Hrvoje Lisičar, 2019-10-19 This book analyzes the legal issues connected with the provision of Uber related services It primarily focuses on the various contractual and non contractual relationships that occur during the use of Uber applications especially with reference to Uber headquarters Uber App Uber branch offices advertisements Uber partner drivers employees or self employed Uber application registered users Uber transportation service users contracting passenger and third party Uber transportation service users additional passenger It also provides a comparison of standard transportation services and contracts of carriage irrespective of whether the carrier in question is a common carrier contractual carrier actual carrier or an intermediary service provider Furthermore the book presents the relevant case law especially with regard to Uber as a taxi service Uber as a share riding service Uber as a rent a car with driver service Uber as an employer and Uber as a key organizer of transportation service in Croatia Belgium Germany Italy the Netherlands United Kingdom United States Hungary Argentina and France Lastly it explores the different legislative approaches to resolving various issues related to the appearance of Uber and similar companies the Laissez faire model Status Quo model Legal Adjustment model and the New Legislative Paradigm model

*Play Bigger* Al Ramadan, Dave Peterson, Christopher Lochhead, Kevin Maney, 2016-06-14 In today s world it s no longer enough to create great new products rather companies now must create whole new categories that destroy old ones Uber created a new personal transportation category and destroyed taxis and limos Salesforce com created a new category of cloud base sales automation dethroning the old CRM industry Airbnb Workday Tesla and Netflix are all winning by creating entirely new business categories that destabilise old ones The category is the new strategy The conclusion If you want to build a legendary company you need to design and build a legendary category at the same time and dominate it over time Your company needs to be a Category King And if you don t design a Category King you re creating a failure Drawing on examples from within and beyond our own practice PLAY BIGGER shows both entrepreneurs and established enterprises how to define develop and rule a category over time
