Robert Kinser

Reality Of God:

The Reality of God Robert Kinser, 2021-11-10 The Reality of God provides scientific evidence that a chance creation of life is virtually impossible and that a supremely intelligent creator can exist by using scientific laws and logic that cannot be disputed The book is derived from the author's success in debating the origin of life with atheists over many years The first three chapters of this book scientifically dismiss the atheist theory of chance creation of life on earth The remainder of the book reveals the logic behind Biblical support for the eternal nature and common divine heritage of all humanity The book adds reality to faith in knowing we are literal heirs to a loving supreme being with a genuine hope for a glorious future and its potential for happiness and opportunity beyond our imagination As a Special Edition this book also contains two other books The Coat of Many Colors and The National Treasure

The problem and reality of God Joseph Dias, S.J., 2019-06-02 The 31st General Congregation of the Society of Jesus which took place between May 1965 and November 1966 in its decree on The Task of the Society regarding Atheism says the following The glory of God as the goal of all creation and man's own good required that he acknowledge reverence and serve God Hence the danger of atheism which faces so many men today should greatly stimulate the companions of Jesus to offer a purer witness of religious life and a more zealous devotion to apostolic work The denial of God is no longer as in former centuries an isolated phenomenon it has become widespread affecting entire social groups and nations In some countries atheism is systematically spread by public authority thereby violating the rights of man to the free investigation of truth and the practice of religion In many more regions the denial of God or indifference to religion has directly or indirectly infected cultural and social life The Supreme Pontiff Paul VI on the occasion of the gathering of the Fathers for the 31st General Congregation committed to the Society in view of its special vow of obedience the task of resisting atheism with forces united Each Jesuit therefore earnestly though humbly should take part in this task by prayer and action and each one should be grateful that he can thus better serve his Lord alone and the Church His spouse under the guidance of the Roman Pontiff the Vicar of Christ on earth Keeping in mind the mandate of Pope Paul VI and its wholehearted acceptance by the 31st General Congregation the highest legislative body in the Society of Jesus this little study on the Problem and the Reality of God was written in 1974 towards the end of my studies in Theology It is my humble yet earnest hope that through quiet if possible prayerful reflection on the contents of these pages at least a handful of seekers of the truth will be helped to pierce through the dark clouds of unbelief gathering around us foreboding destruction and death to catch a glimpse of that Mysterious Loving Presence in whom we live and move and have our being that Ultimate Intensely Personal Truth who alone can give direction to our confused minds meaning and purpose to our tireless strivings joy to our troubled hearts and peace to our restless spirits Fr Joseph M Dias S J St Stanislaus Junior College Bandra Bombay 400 050 14th September 1978

Process and Difference Professor of Constructive Theology Catherine Keller, Catherine Keller, Anne Daniell, 2002-05-09 Leading scholars explore the relationship between deconstructive

theory and process thought **God's Endgame for Planet Earth** Derek Mailhiot, 2011-01-01 The Second Coming of Jesus Christ will be the most spectacular event in human history In God's Endgame for Planet Earth the events which precede accompany and come after the Second Coming are thoroughly examined in easy to understand plain language Learn what the Bible actually says about the end time events Who are the Antichrist the False Prophet and the Kings from the East Who are the Two Witnesses and the 144 000 What happens during the Great Tribulation When does the Rapture happen In the aftermath of the Battle of Armageddon Jesus returns as the Warrior Messiah to rule the nations for 1 000 years Jesus finds a world which has been devastated by war famine and disease in utter economic and environmental chaos He literally returns to save mankind from extinction and will rule by force to end war injustice and poverty But the nations ultimately reject Christ's rule and wage war against Him in the infamous Battle of Gog and Magog So is the Millennium really a time of peace and prosperity predicted by so many What really happens during the Millennium What is the purpose of the Millennium And do God's people really spend eternity in Heaven or do they spend eternity on earth in New Jerusalem as the book of Revelation predicts **The Garden of Reality** Roland Faber, 2018-06-20 The Garden of Reality contemplates the relativity of religious truth religious pluralism transreligious discourse postmodern cosmology and multireligious mysticism Its transreligious approach aims at a future multireligious peaceful society in an ecological and cosmic context It proposes that the future of humanity is bound to conviviality with itself and the Earth that the deepest religious motivations of existing together are relative to one another and that transreligious relativity is essential to the conviction of religions that their motivations experiences and conceptualities are meaningful real and true By engaging diverse voices from poststructuralism to Sufism Dzogchen and philosophical Daoism from conceptual frameworks of Christianity and Hinduism to mystical and postmodern cosmology current cosmopolitanism and interreligious and interspiritual discourses but especially understudied contributions of process thought and the Bahá'í religion this book suggests that multireligious conviviality must listen to the universal relevance of a multiplicity of minority voices Its polyphilic pluralism affirms the mutual immanence and co creative nature of religions and spiritualities with the universal in sistance of divine or ultimate reality in the cosmos Embracing a relativistic and evolutionary paradigm in an infinite cosmos of creative becoming religions must cope with events of novelty that disturb and connect transcend and contrast the continuum of their truth claims but must avoid conflict as religious diversity is enveloped by an ever folding landscape of ultimate reality **A User's Guide to Franz Rosenzweig's Star of Redemption** Norbert Samuelson, 2014-04-04 This user friendly guide will help students of the Star to be able to discuss at a basic level what at least conceptually Rosenzweig intended to say and how all that he says is interrelated **Life and Building in the Gospel of John** Witness Lee, 2024-03-25 The Gospel of John occupies a special place in the Bible because it focuses on life Its writer the apostle John had a specific burden related to life and building and his ministry was fully focused on these two matters His Gospel reveals that God is manifested as the Word and becomes the Spirit to enter into us in order

to be our life but this marvelous fact is not the goal it is a procedure to achieve an ultimate goal The Gospel of John says that the Word who is God became flesh and tabernacled among us Life is the procedure and the tabernacle is the goal God came to be our life so that He might tabernacle in us and among us that we might receive Him as life for the building up of the house of God The Jesus Syndrome Joseph John Francis,2009-07 **Why Believe** Tawa J. Anderson,2021-07-09 Why Believe provides accessible explanations of several core concerns of apologetics from arguments for the existence of God and the validity of Christ's resurrection to common questions about the practice of faith *The Reality of God* Joseph Monforton,2014-09-17 As Pontius Pilate stood face to face with the one called The Word of God he asked What is truth How ironic a picture it is that the man could stand face to face with the greatest truth the world has ever known and ask What is truth The world continues to ask the very same question But this question is one that raises other questions as well Who defines truth Is perception truth Is there absolute truth Philosophers and thinkers scientists and theologians men and women old and young throughout the ages and on every continent have asked these same questions and many more like them I believe beyond all doubt that Holy Scripture answers these emphatically Jesus Christ is truth Explore these questions and more as we endeavor to see how God's Word reveals the relationship He desires with us through faith in Jesus Christ The Reality of God Schubert Miles Ogden,1960 Essays which examine the central issue in contemporary theology Regaining Sanity for the Earth Klaus Nürnberger,2011-06-02 For centuries science and faith have been drifting apart Science lost its transcendent foundations faith lost its credibility Science conquered the future faith got stuck in the past Science unleashed unprecedented powers faith became a private pastime The economic and ecological consequences are catastrophic Science and faith must reconnect and lead the way out of the crisis **God Saves** Osazuwa Inneh,2017-06-06 This book is a chronological blow by blow account of countless encounters and compelling testimonies of the Almighty Gods interactions with the author for over four decades It is another proof that gives credence to the claim made by Jesus Christ concerning himself and who he is God in Fact anonymous author,2020-07-03 TO UNDERSTAND GOD YOU NEED TO LIVE IT WITH YOUR OWN BEING YOUR OWN SENSITIVITY AND YOUR BRAIN YOUR OWN EXPERIENCE God is the same from Abram and Moses until now but if you want to understand God today first you need the experience of God second you need to know the reality of God with your own brain The Bible is still useful of course because there you can read about men and women who faced the same reality God that you need to experience today to understand the universe where you live GOD IS THE LIVING ORDER OR LAW IN WHICH WE EXIST That is the meaning of the phrase God is Love He who does not love does not know God because God is love 1 John 4:8 The profound wisdom of John who lived the reality of God but without the knowledge that we have today to explain to us a reality that we feel living with us and ordering our lives although we can't see God just watching in the same way that we cannot see atoms or molecules without special tools **The reality of god** George S. Nordgulen,1974 Annual Session of the Baptist Congress ,1890 *The Reality of God* Steve R. Hemler,2014

The Reality of God in the Universe Bedrich V. Hettich, 2009-02 Who is God How did humans come to live here on this planet in the middle of nowhere What does God expect from us and why Does God have a mind These questions are often asked by those on earth In *The Reality of God in the Universe* author Bedrich V Hettich addresses the dynamics of the power of God describes where we find God and defines the reality of who God is Based on Hettich s life experiences and observations this collection of fifteen essays offers a modern perception of the reality of God and God s power that brings humankind into a unity of its diversity The writings revolve around a God whose invisible presence is here on earth and addresses the question why and how we got here what we are supposed to do while we are here and what happens to us when we die Timely and timeless these informative and engaging essays show that God is the unifying power that can bring us together to live in peace and harmony [The Hidden Truth About God](#) Grace B Scott, Thomas W Bee, 2020-08-25 Have you gone to religion for answers but ended up more confused Have you tried to believe in God but ended up disappointed because he didn t show up as they d described There are too many unanswered questions about God and it makes religion look like a wild goose chase Religion presents God as a magician and when God fails to appear as presented and we demand answers it expects us to accept that God works in mysterious ways and besides How dare you question God The Hidden Truth About God say We are not questioning God but what was presented to us This book carefully analyzes and logically weighs theology and reality It gives a step by step breakdown of God s plan for Creation and uses real life experiences to provide rational answers to unanswered questions about God And why life is full of pains and suffering when God could snap his fingers and everything becomes perfect yet he doesn t Thomas a computer scientist and teacher of religion together with Grace a professor of religion and philosophy reveals life as a program and God as a programmer They brilliantly decipher codes to find the bridge between the supernatural and the natural deity and humanity God and reality presenting answers to

some very interesting questions What s the truth about heaven How did sin get into heaven Why doesn t God take away evil What happens in the supernatural Is religion the way to God What about reincarnation Why can t a perfect God have a perfect world Is there God or does the universe run itself What s the big deal about Christianity Why are there so many contradictions in the Bible Do you value reason Are you a skeptic or a critical thinker Are you a believer in the universe Are you atheist theist or just searching for answers to the countless questions of the universe This book will provide you with answers using reason and real life experiences as it draws resources from Religious books theology philosophy science and reality The Law of relativity states that everything is neutral when seen in isolation and only reflects in our reality when we ascribe meaning to it Therefore we can give meaning to God and life or not but Thomas and Grace s inclusion to this law is that the truth remains true irrespective of relativity What then is the truth *A History of Philosophy: History of modern philosophy* Friedrich Ueberweg,1874
