Really No Big Deal:

Choke Hold Christa Faust, 2011-10-07 Angel Dare went into Witness Protection to escape her past not as a porn star but as a killer who took down the sex slavery ring that destroyed her life But sometimes the past won't stay buried When a former co star is gunned down it's up to Angel to get his son a hotheaded MMA fighter safely through the Arizona desert shady Mexican bordertowns and the neon mirage of Las Vegas

Baptistland Christa Brown, 2024-05-07 It began with just wanting to tell the truth But truth telling has a way of snowballing When Christa Brown first spoke out about the sexual abuse she endured in her Texas childhood church she never imagined it would expose the ethical chasm at the core of the Southern Baptist Convention male religious leaders so focused on institutional protection that they sacrifice the safety of children A book about speaking out and speaking up Baptistland weaves together Christa's revealing story of hope amid Southern patriarchy and religious fundamentalism You'll meet the young Christa who endures family dysfunction the trauma of bodily desecration and the death blows of a gaslighting church and faith community Then you'll meet the Christa who finds her voice and rises above the limited expectations of her given culture taking tiny step after tiny step toward a life filled with goodness Ultimately Christa Brown transforms into a vivid tree of life rooted in love individuality and beauty But it was unrelenting honesty to herself and others that guided her to an ordinary paradise Baptistland speaks to the power of truth telling for ourselves our relationships and our institutions Baptistland is a story of abuse brokenness and betrayal but more than any of these things it is the story of resilience
