Reasons And Faiths:

Reasons and Faiths Ninian Smart, 2014-06-23 This is Volume VII of seven in the Philosophy of Religion and General Philosophy series It presents an investigation of religious discourse Christian and non Christian originally published in 1958 The aim is to describe the nature of religious doctrines and concepts including Buddhism and Hinduism *Postmodernism, Reason and Religion* Ernest Gellner, 1992 First Published in 1992 On questions of faith Ernest Gellner believes three ideological options are available to us today One is the return to a genuine and firm faith in a religious tradition The other is a form of relativism which abandons the notion of unique truth altogether and resigns itself to treating truth as relative to the society or culture in question The third which Gellner calls enlightenment rationalism upholds the idea that there is a unique truth but denies that any society can ever possess it definitively Learned and stimulating Professor Gellner's book is an important contribution to our understanding of postmodernism and the relations between Islam and the West It will be of great interest to anyone concerned with the ideological condition of contemporary society **Reasons for Faith; in a Letter to a Friend**, 1830 **Faith, Reason, and Beyond Reason** Mark J. Boone, 2024-07-16 The relationship between faith and reason is multifaceted Faith transcends reason in that it is more than reason alone can contain or fully guarantee yet it is neither unreasonable nor something to which reason is irrelevant and reason says some pretty fine things about it This volume updates nine previously published articles on faith and reason by a Christian philosopher who has been studying these matters for two decades alongside one new essay and a philosophical dialogue These articles explain and integrate key ideas on faith and reason including Alvin Plantinga's account of how Christian belief can be knowledge even without evidence defenses of faith from Augustine and William James accounts of empirical evidence for faith from different world religions the distinction between faith and sight in the New Testament the structure of the evidence for the authority of the Bible the idea that faith transcends reason because some articles of faith are beyond human comprehension even if we have evidence that they are true and the nature of faith as a total commitment beyond what the evidence alone can guarantee **ANATOLIAN LANDSCAPE AND FAITH TOURISM: ANCIENT TIMES TO PRESENT** Dr. Muharrem Tuna, Dr. Özlem Koroğlu, Ms. Gamze Kaya, Dr. Eda Hazarhun, Dr. Hasret Ulusoy Mutlu, Ms. Nuray Yıldız, 2023-12-04 ANATOLIAN LANDSCAPE AND FAITH TOURISM ANCIENT TIMES TO PRESENT NAN TUR ZM **Law as a Leap of Faith** John Gardner, 2012-09-06 In a series of essays John Gardner has developed distinctive and engaging answers to the central questions of legal philosophy cutting through the technicalities of the subject to clarify and reinvigorate the main arguments about the nature of law This volume collects that work to provide a major contribution to the literature on jurisprudence *Humanist*, 1960 Faith, Politics, and Power Rebecca Sager, 2010-01-15 During the 2000 presidential campaign George W Bush made faith based social services one of the centerpieces of his domestic agenda These faith based initiatives supporters argued would reduce poverty ease the strain on an overburdened welfare system and prove more effective than government programs Opponents

feared rampant proselytizing with government funds Instead these practices created a system in which neither the greatest hopes of its supporters nor the greatest fears of its opponents have been realized The product of five years of in depth research Rebecca Sager s *Faith Politics and Power* offers a systematic examination of where and how these programs were implemented arguing that faith based initiatives strayed from supporters original aim of helping the poor and instead were used as tools to gain political power by the Republican Party and the conservative evangelical movement *Philosophy and Religion* Strong,1888 If I Really Believe, Why Do I Have These Doubts? Dr. Lynn Anderson,2010-06-15 For anyone who experiences a lapse of faith here are the answers you seek Faith is the most fundamentally important aspect of following Christ Yet there are times in every believer s life when the inevitable question arises in the heart and works its way to the soul If I really believe why do I have these doubts The question may have been planted by tragedy or trial It may have been ignited by rejection or heartbreak It may even be as simple as an intellectual burr that can t be shaken If you or someone you know is asking this question this book will bring help and hope to every heart in search of a deeper faith The Origin and Development of Religious Belief Sabine Baring-Gould,1870 Reasons why the priests of Rome deny the laity under their charge the divine right of private judgment, by an Irish layman [F.
