Realist Ethics Valerie Morkevičius, 2018-01-25 Just war thinking and realism are commonly presumed to be in opposition If realists are seen as war mongering pragmatists just war thinkers are seen as naïve at best and pacifistic at worst Just war thought is imagined as speaking truth to power forcing realist decision makers to abide by moral limits governing the ends and means of the use of force Realist Ethics argues that this oversimplification is not only wrong but dangerous Casting just war thought to be the alternative to realism makes just war thinking out to be what it is not and cannot be a mechanism for avoiding war A careful examination of the evolution of just war thinking in the Christian Islamic and Hindu traditions shows that it is no stranger to pragmatic politics From its origins just war thought has not aimed to curtail violence but rather to shape the morally imaginable uses of force deeming some of them necessary and even obligatory Morkevičius proposes here a radical recasting of the relationship between just war thinking and realism

Mavericks Peter C. Newman, 2010-10-26 Peter C Newman s poison pen has lodged itself in the viscera of the Canadian elite In *Mavericks* he has selected his most evocative writing about those Canadians who run against the grain on the grandest scale including Conrad Black Garth Drabinsky the Eaton boys Louis Riel Robert Campeau and Peter Nygard In the world of politics he takes on Brian Mulroney Kim Campbell Ren L vesque Bill Vander Zalm and Lucien Bouchard He also includes a vignette about John Diefenbaker from his book *Renegade in Power* which Robert Fulford at *Saturday Night* said transformed political books and to some extent political writing in this country *Mavericks* together with its companion volume *Heroes* makes up the ultimate Newman capturing his best and most provocative words during a career that spans more than fifty years

The Messenger Brian T. Atkinson, 2019-09-02 Texas singer songwriter Hayes Carll declared Ray would be at the top of the list if I were gonna read about somebody s life In *The Messenger* The Songwriting Legacy of Ray Wylie Hubbard author journalist and music producer Brian T Atkinson demonstrates why Carll and so many

others hold Ray Wylie Hubbard in such high regard Atkinson takes readers into and beyond the seedy bar in Red River New Mexico where the incident occurred that inspired Hubbard s most famous song Redneck Mother Hubbard tells the stories and Atkinson enlists other musicians to expound on the nature of his abiding influence as songwriter musician and unflinching teller of uncomfortable truths Featuring interviews with well known artists such as Eric Church Steve Earle Kinky Friedman Chris Robinson and Jerry Jeff Walker and also mining the insights of up and comers such as Elizabeth Cook Jaren Johnston Ben Kweller Aaron Lee Tasjan and Paul Thorn The Messenger makes clear why so many musicians across a wide spectrum admire Ray Wylie Hubbard Readers will also learn why Redneck Mother the song that put Hubbard on the map for most listeners is also a curse of sorts in its diminution of both his spiritual depth as a lyricist and his multidimensional musical reach As Hubbard himself says The song probably should have never been written let alone recorded let alone recorded again the most important part of songwriting is right after you write a song ask yourself Can I sing this for twenty five years Atkinson s work makes a convincing case that Ray Wylie Hubbard s truest and most lasting contributions will long outlive him And with a couple of good breaks they may even outlive Redneck Mother
