Rebuilding The Player Piano:

Rebuilding the Player Piano Larry Givens, 1963 **Player Piano** Arthur A. Reblitz, 1997-01-01 A treatise on how player pianos function and how to get them back into top playing condition if they don't work For beginners and experienced technicians alike Player Piano Arthur W. J. G. Ord-Hume, 1971 Player Piano tells for the first time the fascinating story of the mechanical piano from earliest times up to the heyday of the instrument in the 1930s Never before has this story been related although the end of the player piano is certainly still within the living memory of most of us and many hundreds of these devices are still to be found in our homes In addition to telling the story of the development of these pianos which strove to produce perfect music without the need for skills on the part of the performer this book sets out in copious detail exactly how these complex mechanisms work For the owner of an instrument step by step instructions for the restoration and preservation of both the early barrel playing pianos and the most sophisticated player and reproducing instruments are given To fully illustrate their development design and mechanical processes no less than 112 plates and 110 long drawings are included Jacket *Player Piano Servicing & Rebuilding* Arthur A. Reblitz, 1985-01-01 For beginners and experienced technicians alike **Piano Servicing, Tuning, and Rebuilding** Arthur A. Reblitz, 2019-11-04 For over forty years Arthur A Reblitz's Piano Servicing Tuning and Rebuilding has been the gold standard manual for piano technicians and hands on hobbyists who want to rebuild or maintain pianos Reblitz demystifies the daunting prospect of working on a piano as he guides readers through every detail of upright and grand piano mechanics and describes servicing and repairs with understandable easy to follow instructions The third edition of this invaluable handbook includes over 60 new and 300 remastered images of piano anatomy tools and techniques consideration of ivory alternatives and the newest adhesives and lubricants new material covering the art of tuning by ear and today's sophisticated electronic tuning devices new repair and rebuilding techniques and a brand new glossary of terms Piano Servicing Tuning and Rebuilding provides piano technician and servicing programs pianists and amateur players and hobbyists around the world with an essential twenty first century guide to achieving peak performance and maximum longevity for their instruments Regulation and Repair of Piano and Player Mechanism William Braid White, 2015-06-24 Regulation and Repair of Piano and Player Mechanism Together with Tuning as Science and Art is a work authored by expert William Brad White Player pianos sometimes referred to as autopianos were gaining in popularity in the early 1900s necessitating a book about their servicing Regulation and Repair of Piano and Player Mechanism is a resource guide for individuals tasked with repairing these large and rather complex instruments The work focuses specifically on the pneumatic player which was the standard player piano at the time The book itself is rather brief and is divided into two sections The first section deals with the regulation and repair of the piano focusing on technical aspects the serviceman must be familiar with Part two details tuning and is intended not only for the serviceman but also the technically minded owner of a player piano William Braid White's title is an effective overview of the

regulation and repair of a player piano While player pianos are scarce today those that are in use certainly require upkeep and thus this book will remain of interest to individuals tasked with working on these challenging instruments This work will also appeal to readers interested in music history as White captures a time when the appeal of automated instruments was perhaps at its greatest peak Regulation and Repair of Piano and Player Mechanism Together with Tuning as Science and Art is a detailed guide to servicing a once popular musical instrument While the prevalence of player pianos has declined greatly since the beginning of the twentieth century there remains a need for literature on the topic If the subject matter of this text is of interest to you White s book is a worthwhile read About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
