Sammy Marks The Uncrowned King Of The Transvaal:

Sammy Marks Richard Mendelsohn.1991 Kleine Geschichte Südafrikas Albrecht Hagemann, 2001 Sp testens seit der Landung des Holl nders Jan van Riebeeck in der Kapst dter Tafelbuch im Jahre 1652 und der nachfolgenden Besiedlung des afrikanischen Subkontinents durch die Europ er kann die Geschichte S dafrikas als ein fortschreitendes Ringen zwischen Schwarz und Weiss um Landbesitz und politische Herrschaft begriffen werden Das Buch zieht einen weiten Bogen von der vorgeschichtlichen Zeit S dafrikas ber die Rassentrennungspolitik bis hin zur friedlichen Revolution dem Amtsantritt Nelson Mandelas und einem Ausblick auf die Zukunft der jungen s dafrikanischen Demokratie *Popular Politics in the History of* South Africa, 1400-1948 Paul S. Landau, 2010-09-20 Popular Politics in the History of South Africa 1400 1948 offers an inclusive vision of South Africa's past Drawing largely from original sources Paul Landau presents a history of the politics of the country's people from the time of their early settlements in the elevated heartlands through the colonial era to the dawn of Apartheid A practical tradition of mobilization alliance and amalgamation persisted mutated and occasionally vanished from view it survived against the odds in several forms in tribalisms Christian assemblies and other seemingly hybrid movements and it continues today Landau treats southern Africa broadly concentrating increasingly on the southern Highveld and ultimately focusing on a transnational movement called the Samuelites He shows how people s politics in South Africa were suppressed and transformed but never entirely eliminated Rogues Gallery Matthew Blackman, Nick Dall,2021-03-15 If you reckon corruption in South Africa began with Zuma or even with apartheid it s time to catch a wake up call Roques Gallery tells the story of some of the biggest skelms to grace our un fair shores showing that dodgy dealings have been a national pastime for as long as South African history has been written down The action starts with the machinations of three colonial governors rotten Willem Adriaan van der Stel and the twaddling British duo Sir George Yonge and Lord Charles Somerset Added to this is Cecil John Rhodes s unparalleled success in poisoning the land with theft fraud and war and Oom Paul Kruger's corrupt and compromised Volksraads official and unofficial Readers are then treated to apartheid s finest feats in corruption from the Broederbond's perfect ten in state capture to the Department of Information's peddling of fake news and the apartheid state s manufacture of no not illegal cigarettes Class A drugs And let s not forget the hotbed of corruption that was the independent homelands Add to this a few murders plenty of nepotism and a state president who started out as a Nazi spy and the gallery of rogues is complete On the flipside every chapter also features at least one brave whistle blower the true heroes of this book Irreverent entertaining and impeccably researched Rogues Gallery busts the myth that the Zuptas were the first to capture the South African state showing that corruption has always been around and that the tricks politicians play haven t changed a jot The Unexpected Story of Nathaniel Rothschild John Cooper, 2015-07-16 The Unexpected Story of Nathaniel Rothschild is the only full length biography of Nathaniel the first Lord Rothschild 1840 1915 The Rothschild family in all its branches is of compelling and continuing interest and fascination A family that could

make or break dynasties that could bankrupt industrial magnates but who also were outstanding philanthropists and collectors of some of the world's greatest art treasures Ardently supportive of the founding of the State of Israel Nathaniel was also adept at playing the political game within and without Jewry He went to extremes to ensure that Jewish refugees from Russian pogroms went to Palestine and did not come to the UK The first Jew in the House of Lords he had previously stood as a Liberal MP and fought for social justice He knew every leading British politician from Disraeli to Lloyd George Indeed as a leading figure in the City he helped Lloyd George to surmount this country s worst ever financial crisis He died a man mourned by the political elite and the masses It is only now that his story has been fully told **Hidden Pretoria** Johan Swart, 2019-10-01 Despite being South Africa's capital city Pretoria has often played a supporting role to bold and brash Johannesburg and Cape Town s cosmopolitan charms However when it comes to architectural heritage the Jacaranda City is well endowed From the skyline dominating Union Buildings and Voortrekker Monument to the imposing edifices of its administrative precincts Pretoria might be deserving of a second moniker the city of sandstone brick and granite But when you look beyond the impressive fa ades soaring columns and linear planes of buildings that were intended to convey power and authority you ll find light filled interiors embellished with decorative touches that are only hinted at from the outside Murals mosaics domes galleries stained glass windows gleaming brass and impressive woodwork are often hidden from view behind doors that are closed to the public And even those museums buildings and places of worship that are open to all have noteworthy architectural and design features that are easily overlooked The history of the city and of the country has been played out in many of the buildings featured in Hidden Pretoria This book captures facets of our diverse heritage historic and contemporary so that a new generation might recognise the need to embrace the past in order to build our common future

Sammy Marks Richard Mendelsohn,1991 The Origins of the South African War, 1899-1902 Iain R. Smith,1996 Iain Smith s impressive reappraisal of the origins of what used to be known as the Anglo Boer War is based on extensive work in the British and South African archives While paying due attention to the roots of the conflict in the pattern of European conquest and settlement in South Africa he concentrates particularly on the transformations that resulted from the discovery of gold in the Transvaal during the high noon of British imperialism and the scramble for Africa The mounting conflict of interests between Britain and what had been a poor Boer republic makes a dramatic story with a cast of powerful personalities that includes Rhodes Chamberlain Kruger Smuts and Milner Iain Smith does it and them full justice in this authoritative and enthralling account of one of the climatic moments in South African and British imperial history

Pretoria at War, 1899-1900 Bridget Theron,2000 The commemoration of the Anglo Boer War of 1899 1902 has brought renewed interest in the fortunes and strategies of the two warring parties and the various battles that were won and lost But it has also aroused great curiosity about how the ordinary South African people of all races experienced the war This book looks at how the war impacted upon a particular community that of Pretoria the capital of the Transvaal republic and

the seat of the Boer government When the war clouds gathered how did Pretorians react What were their emotions when war broke out and how did they cope with wartime conditions The effect of the war on schools in the town on commerce and industry social activities and the provision of public amenities is described as well as the way in which residents dealt with new challenges such as treatment of the wounded and the influx of prisoners of war When the British troops under Lord Roberts began their inexorable march towards Pretoria the people were thrown into panic Would the town be defended and if so what would become of them As Roberts drew ever nearer tension and dismay gave way to utter disbelief when President Kruger and his senior government officials left and the republic s funds were removed from the National Bank There is also insight into why this general state of panic flared up into a period of crazy looting and disorder at the end of May 1900 Finally you will read of the occupation of Pretoria and how the ordinary people reacted when Roberts s weary troops plodded into Church Square in their thousands on the winter afternoon of 5 June 1900 This is a story a true story of how the people of Pretoria dealt with a crisis situation more than a hundred years ago The Boer War has direct mirrors in the US war of independence This book has a unique focus on one town and its citizens and is relevant to all military historians throughout the world as the lessons can be extrapolated Africa Special Report ,1992 South African historical journal ,1996

The Jewish Journal of Sociology, 1993 Portuguese Studies Review ,1998 **Iewish Affairs** ,2007 Historical Dictionary of Greater Johannesburg Naomi Musiker, Reuben Musiker, 1999 In just over a century of existence Johannesburg the City of Gold has played a vital role in the development of South Africa Today it is the center of Gauteng the province which serves as the economic heart of the entire region The city continues to exert influence over the whole of the African sub continent Johannesburg's evolution in the last two decades provide important insights into the transformation of South Africa as a whole The Dictionary is of great value to readers who wish to understand events that shaped South Africa in the successive eras of gold discovery British colonization Nationalist Party apartheid legislation and transformation under the against a sequence of the African National Congress The Musikers make an important departure from previous historical surveys in that they include information on the role of the original indigenous inhabitants of South Africa who occupied the area of the future city long before the first white settlers and who through their intensive labor on the gold mines played a decisive role in the progress of Johannesburg The present volume besides covering the economic and political history of Johannesburg also deals with cultural aspects of the city including architecture art music and theatre which provide a fascinating multi cultural portrait of the cosmopolitan city <u>Historical Dictionary of the Anglo-Boer War</u> Fransjohan Pretorius, 2009 The devastating war that raged on the South African veldt between 1899 and 1902 the first of the 20th century wars was small in comparison with the world wars Yet it reveals many facets of military political and social issues The conflict between the British Empire and the Boer settlers was in ways a precursor to what was to come It saw vast changes in the organization tactics and weapons used by the British Army had far reaching effects on the white political structure in the country and stimulated

Afrikaner nationalism which might partly explain the introduction of apartheid Historical dictionary of the Anglo Boer war presents the history of this conflict also known as the South African War the Boer War and the Transvaal War Through a chronology introductory essay bibliography and more than 600 cross referenced dictionary entries covering a wide range of military social cultural and political topics Page 4 of cover Sociological Abstracts ,1994 African Books in Print ,1993 Oxford Dictionary of National Biography: Knox-Lear Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 Periodica Islamica ,1994
