San Francisco Showdown:

The Trailsman #292 Jon Sharpe, 2006 **The Monsanto Papers** Carey Gillam, 2021-03-02 Lee Johnson was a man with simple dreams. All he wanted was a steady job and a nice home for his wife and children, something better than the hard life he knew growing up. He never imagined that he would become the face of a David and Goliath showdown against one of the world's most powerful corporate giants. But a workplace accident left Lee doused in a toxic chemical and facing a deadly cancer that turned his life upside down. In 2018 the world watched as Lee was thrust to the forefront of one of the most dramatic legal battles in recent history. *The Monsanto Papers* is the inside story of Lee Johnson's landmark lawsuit against Monsanto. For Lee, the case was a race against the clock with doctors predicting he wouldn't survive long enough to take the witness stand. For the eclectic band of young ambitious lawyers representing him, it was a matter of professional pride and personal risk with millions of dollars and hard-earned reputations on the line. For the public at large, the lawsuit presented a question of corporate accountability. With enough money and influence, could a company endanger its customers, hide evidence, manipulate regulators, and get away with it all for decades? Readers will be astounded by the depth of corruption uncovered, captivated by the shocking twists, and moved by Lee's quiet determination to see justice served. With gripping narrative force that reads like fiction, *The Monsanto Papers* takes readers behind the scenes of a grueling legal battle, pulling back the curtain on the frailties of the American court system and the lengths to which lawyers will go to fight corporate wrongdoing.
