 Kimura,2025-06-28 What Happens When an Academic is Also a Psychic This paranormal memoir by tenured academic and
 psychic channel Marianne Kimura explains how Shakespeare s consciousness contacted her over four decades using a variety
 of ghostly phenomena to help him reveal his real messages which were heretical in his day In particular her research shows
 how Shakespeare crafted allegories in his plays to express his support for Giordano Bruno the Renaissance philosopher
 burned alive for heresy in Rome in 1600 Channeling Shakespeare represents the sensational sudden and more strange return
 of Shakespeare to our world 400 years after his death An unparalleled dramatist Shakespeare announced these exact plans
 with those words in Hamlet in order to show us in the most audacious way possible that death is not final and that
 consciousness goes on Starting with a mysterious clairaudient experience in a Harvard University s Sanders Theatre after a
 Shakespeare lecture when she was twenty Channeling Shakespeare chronicles Marianne s strange but uplifting psychic
 experiences as she engaged with the occult world with love and positivity to bring the truth about Shakespeare to light
