NEWFOUNDLAND IMMIGRATION POLICY 1906-1949

GERHARD P. BASSLER

# Sanctuary Denied Refugees From The Third Reich And Newfoundland Immigration Policy 19061949

**Alexander Freund**

## **Sanctuary Denied Refugees From The Third Reich And Newfoundland Immigration Policy 1906/1949:**

*Aufbrüche nach dem Zusammenbruch* Alexander Freund, 2004-04-13 Millionen Deutsche wollten nach dem 2. Weltkrieg raus aus Europa so eine Schlagzeile von 1949 Knapp eine Million Menschen wanderte dann in den 1950er Jahren tatsächlich nach übersee aus die meisten in die USA und nach Kanada über diese große Auswanderungsbewegung aus Deutschland im 20. Jahrhundert ist nur wenig bekannt Auf der Grundlage von Zeitzeugen Interviews und Archivdokumenten wird untersucht in welchen Situationen die Auswanderung als Alternative zum Leben in Nachkriegsdeutschland wahrgenommen wurde Gezeigt wird wie Politiker die Migration der unterschiedlichen Bevölkerungsgruppen zu kontrollieren versuchten wie Betrüger mit den Hoffnungen Auswanderungswilliger Profit machten sowie die im Prozess der Auswanderungsentscheidung entstehenden individuellen familiären und gesellschaftlichen Konflikte

**Ein Privileg für wenige** Annette Puckhaber, 2002 Zwischen 1933 und 1945 gab es kein Recht auf Asyl Der entscheidende Faktor einer erfolgreichen Flucht vor den Nazis war ein Aufnahmeland zu finden Obwohl Kanada auf eine lange Einwanderungsgeschichte zurückblicken konnte waren die kanadischen Einwanderungsstellen gegenüber Flüchtlingen weitgehend geschlossen Die wenigen deutschsprachigen Flüchtlingen die in Kanada Aufnahme fanden waren eine Anzahl jüdischer Flüchtlinge etwa 1000 Sozialdemokraten aus dem Sudetenland und die 1940 aus Großbritannien deportierten Flüchtlinge Die vorliegende Arbeit beschäftigt sich damit unter welchen Bedingungen sie nach Kanada kamen einem Land das die Einwanderung als Privileg verstand

Quellen zur Migrationsforschung Davoud Gharagozlou, 2004 *Alltag im Exil* Daniel Azuélou, 2011 *Migrations and Diasporas* William Arrocha, Elena Xenikou, 2023-11-23 Advocating for a more welcoming world involves respecting the human dignity and fundamental rights of all individuals regardless of their place of origin or immigration status This perspective offers a powerful insight into the dynamics of social justice across borders

**The Evian Conference of 1938 and the Jewish Refugee Crisis** Paul R. Bartrop, 2017-09-17 This book provides the first dedicated study of the Evian Conference of July 1938 an international initiative called by U.S. President Franklin D. Roosevelt While on the surface the conference appeared as an attempt to alleviate the distress faced by Jews being forced out of Germany and Austria in reality it only served to demonstrate that the nations of the world were not willing to accept Jews as refugees Since the Holocaust a generally held assumption has been that the Evian Conference represented a lost opportunity to save Germany's Jews and that the conference failed to rescue the Jews of Europe In this study Paul Bartrop argues that in fact it did not fail when measured against the original reasons for which it was called Exposing many of the myths surrounding the meeting this work addresses a glaring lacuna in the literature of the Holocaust and places the so called failure of the Evian Conference into its proper context

**Sanctuary Denied** Gerhard P. Bassler, Memorial University of Newfoundland. Institute of Social and Economic Research, 1992 This is the first book length inquiry into Newfoundland immigration prior to Confederation in 1949 Sanctuary Denied sheds new light on the preservation of Newfoundland's culturally distinct homogeneous society and its endemic

difficulties Refuting a widespread assumption that pre Confederation Newfoundland was unable to attract immigrants Dr Bassler identifies numerous requests involving thousands of potential immigrants eager to move to Newfoundland in the half century prior to Confederation Despite the existence of a uniquely liberal refugee law from 1906 to 1949 Newfoundland immigration policy developed a tradition of refusing asylum to all refugees and of deporting and excluding non British immigrants as undesirable The analysis of this immigration record raises intriguing questions about the legacy of nation building in Newfoundland Nation Builders and Enemy Aliens Gerhard P. Bassler, 2021-11-09 Today German Canadians are among Canada's most assimilated citizens often distinguishable from other Canadians by their name only For centuries their pioneer farmers economic developers industrialists professionals musicians artists missionaries fisherman boat builders and soldiers have acquired an acknowledged reputation as nation builders in Canada Not too long ago however they were also associated with Canada's enemy in two world wars discriminated against and subjected to infringements of their citizenship rights Virtually overnight Canadians of German speaking background were recast into disloyal enemy aliens Anti German sentiments and stigmas unknown in Canada before World War I became firmly entrenched and have obliterated their legacy as nation builders This book documents and illustrates how German Canadians have experienced Canada and how Canada has experienced German Canadians over the course of four centuries It shows what influence Canada's relations with Germany had on this development This is the first comprehensive synopsis of the German experience in Canada **Civilian Internment in Canada** Rhonda L. Hinthier, Jim Mochoruk, 2020-02-28 Civilian Internment in Canada initiates a conversation about not only internment but also about the laws and procedures past and present which allow the state to disregard the basic civil liberties of some of its most vulnerable citizens Exploring the connections contrasts and continuities across the broad range of civilian internments in Canada this collection seeks to begin a conversation about the laws and procedures that allow the state to criminalize and deny the basic civil liberties of some of its most vulnerable citizens It brings together multiple perspectives on the varied internment experiences of Canadians and others from the days of World War One to the present This volume offers a unique blend of personal memoirs of survivors and their descendants alongside the work of community activists public historians and scholars all of whom raise questions about how and why in Canada basic civil liberties have been and in some cases continue to be denied to certain groups in times of perceived national crises

*Zeitschrift für Kulturaustausch* Institut für Auslandsbeziehungen, 1995 **The Immigration History Newsletter**, 1994

**Twentieth-century Newfoundland** James Hiller, Peter Neary, 1994 Twentieth Century Newfoundland Explorations brings together ten papers by eight well known historians of Newfoundland and Labrador The papers address a wide variety of subject matter and open many avenues for further research The book concludes with an extensive bibliography on the Newfoundland and Labrador in the Twentieth century This bibliography is organized by topic and will serve the needs of the general reader and specialists alike Twentieth Century Newfoundland Explorations highlight the scope and complexity of

present day writing about the history of Newfoundland and Labrador James Hiller Professor of History at Memorial University and author of a number of articles on Newfoundland in the Nineteenth and Twentieth Centuries Peter Neary Professor of History at the University of West Ontario and the author of Newfoundland in the North Atlantic World 1929 1949 1998 Yearbook of German-American Studies ,2000 **Histoire Sociale** ,1994 **Antisemitism** Susan Sarah Cohen,1998 **Research Results of Projects Funded by the Canadian Ethnic Studies Program, 1973-1988** Canada. Canadian Heritage,1993 The Historiography of the Provincial Norths Lakehead University. Centre for Northern Studies,1996 *Voices from Off Shore* Marian Elizabeth Binkley,Memorial University of Newfoundland. Institute of Social and Economic Research,1994 Presents an interview based account of the harsh living and working conditions of fishers skippers captains scallopers mariners ship engineers and their families A Time of Reckoning Adrian J. Peace,1997 In 1988 Merrell Dow an American transnational company proposed to build a chemical factory in a dairy farming locality in County Cork Ireland Local residents organized a social protest movement to defend their economic livelihood and rural way of life Their campaign forced a public hearing before Ireland s national planning review body to try to overturn early county council permission to go ahead with the corporation s plan This anthropological study demonstrates how subtle persuasion in a controlled context helps to create maintain produce and reproduce hegemony in social democratic politics *Quest for Equity* Trond Thuen,1995 *Quest for Equity* is a first in the social science literature in its attention to the place Norwegian ethos and symbols of state have in the dynamics of Saami peoplehood Over and above the category distinction Norwegian contra Saami it attends to the subtle shades of difference among Saami themselves according to their own and others understandings of their minority placement within the Norwegian nation state For all social science or lay reader alike who grapple with ethnic minority issues *Quest for Equity* is an essential text
