Sea And The Jungle:

The Sea and the Jungle H. M. Tomlinson,1949 The Sea and the Jungle ,2011 *The Sea and the Jungle* Henry Major Tomlinson,1996 One rainy morning in November 1909 Henry Major Tomlinson bid farewell to his family and set off to find his berth as purser aboard the Capella where he would spend many storm driven days until landfall at Para on the Brazilian coast But his travels had only begun as the steamer continued its journey 2 000 miles up the Amazon **The Sea and the Jungle** Henry Major Tomlinson,1964 **SEA AND THE JUNGLE** M. TOMLINSON,2019 **The Sea and the Jungle** H. M. Tomlinson,2015-04-07 Suppose you were a quiet respectable sedentary business or professional man and the captain of a tramp steamer bound to South America and up the Amazon suddenly dropped into your peaceful office invited you to go along with him got your acceptance by a clever trick and had you at sea before you could stop to think wouldn t you expect to find something doing Thus begins this classic of travel literature in which a London journalist sets sail for Brazil and traverses 2 000 miles of wilderness Part diary and part adventure story H M Tomlinson s eloquent and hauntingly poetic account of his first ocean voyage also constitutes a report on the first successful ascent of the Amazon River and its tributary the Madeira by an English steamer Originally published in 1912 Tomlinson s travelogue was hailed decades later as one of the few level headed works in the literature of this region by naturalist Peter Matthiessen who pronounced it accurate and difficult to improve upon **The Sea and the Jungle** H. Tomlinson,2018-01-18 Excerpt from The Sea and the Jungle Though it is easier and perhaps far better not to begin at all yet if a beginning is made it is there that most care is needed Everything is inherent in the genesis So I have to record the simple genesis of this affair as a winter morning after rain There was more rain to come The sky was waterlogged and the grey ceiling overstrained had sagged and

dropped to the level of the chimneys If one of them had pierced it The danger was imminent About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
