The Sea Gods, After Atlantis Valerie Bonwick, Jonathan Bigras, 1986-01-01      Inspired by God'S Wisdom Maureen Millar, 2016-11-14 Inspired by Gods Wisdom is not a book with a beginning unfolding and end It is a book you can open at any page and there you will find spelled out the wisdom and love we may recognize as coming from the spiritual one I call God Often I have recommended to those who buy or consider this book that they open the pages randomly with a short prayer believing that there is a message for them there for that day And many tell me it works for them Indeed God has recommended I follow my own recommendation and sure enough as I do God speaks to me too There is something in the book for everyone and certainly something there for you      **New Age Journal** ,1988      Canadian Books in Print. Author and Title Index ,1975      Canadian Books in Print ,2001      Canadiana ,1986      **Antichrist Osiris: the History of the Luciferian Conspiracy** Chris Relitz, 2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy      The European history is entirely at sea A Himalayan Master of Wisdom, 2020-06-12 Civilization is an inheritance a patrimony that passes from race to race along the ascending and descending paths of cycles In its dark ages Europe rejected the testimony of Antiquity calling such sages as Herodotus and other learned Greeks the Fathers of Lies Lemuria and the Atlantic Continent with their high civilizations were submerged and drowned The two catastrophes were separated by just years Our present Fifth Race began in Asia a million years ago Greek Roman and even Egyptian civilizations are nothing compared to the civilizations that began with the Third Race Greeks and Romans were small sub races and Egyptians part and parcel of our own Caucasian stock Look at the latter and at India having reached their highest civilization and learning both went down Today s India one of the first and most powerful off shoots of the mother Race is still struggling to resume her place in history A series of far greater civilizations than our own existed before as well as after the Glacial Period at various points of the globe reached the apex of glory and died The Chaldees were at the apex of their Occult fame well before the so called Bronze Age The highest people now on earth in terms of spirituality belong to the first sub race of the Fifth Root race the Aryan Asiatics The highest in terms of physical intellectuality are those of the last sub race of the Fifth the White Conquerors Black magic bestiality selfishness and self adoration spelled the demise of Atlantis and the

rise of evil The British Islands will be the first to be destroyed by submarine volcanos and water France and other lands will follow suit When they reappear very few seas and great waters will be found then on our globe The approach of every new obscuration is always signalled by cataclysms earthquakes and fire Though perfected in materiality the Atlanteans degenerated in spirituality Atlantis and its proud Fourth Race inhabitants sunk years ago coinciding with the elevation of the Alps When our present race reaches its zenith of intellectuality and its peak of materialistic civilization unable to go any higher towards absolute evil its progress will be arrested by one of such cataclysmic changes and its sub races will go down their respective cycles after a short period of glory and learning See the remnants of the Atlanteans the old Greeks and Romans how great how short and how evanescent were their days of fame and glory Every race had its adepts who are allowed to give out as much of their knowledge as the men of that race deserve The adepts of the last race will be far higher than any of the preceding races for among them will abide the future Planetary Spirit whose duty will be to instruct or refresh the memory of the first race of the Fifth Round men after this planet's future obscuration

Sacred Islands and Continents in the Classics Helena Petrovna Blavatsky,2017-08-05 Ambitious scholiasts men of a small sub race born but yesterday and one of the latest issues of the Aryan stock took upon themselves to overturn the religious thought of the world and succeeded For nearly two thousand years they impressed thinking Humanity with the belief in the existence of Satan Plato merged the history of Atlantis which covered several million years into one event which he located on one small island about the size of Ireland whereas the priests spoke of Atlantis as a continent vast as all Asia and Libya put together The statements of Herodotus that the Atlantes who were vegetarians whose sleep was never disturbed by dreams and who cursed the sun because his excessive heat scorched and tormented them are all based on moral and psychic facts and not on physiological disturbance Atlas is the old continents of Lemuria and Atlantis combined and personified in one symbol He supports the sacred islands and continents on its shoulders The poets attribute to Atlas a superior wisdom

and a thorough acquaintance with the depths of the ocean because both Lemuria and Atlantis bore races instructed by divine masters and both were transferred to the bottom of the seas where they now slumber until their next reappearance above the waters. The feet of Atlas tread the earth while his shoulders support the celestial vault an allusion to the gigantic peaks of the Lemurian and Atlantean continents. Proud Atlas having sunk one third of its size into the waters its two parts remained as a heirloom of Atlantis. Atlas and the Teneriffe Peak now two of the dwarfed relics of the lost continents were thrice as lofty during the day of Lemuria and twice as high in that of Atlantis. Alchemy had its birth place in Atlantis during the Fourth Race and had only its renaissance in Egypt. So secret was the knowledge of the last islands of Atlantis on account of the superhuman powers possessed by its inhabitants the last direct descendants of Divine Kings that to divulge its whereabouts and existence was punished by death. To the uninitiated profane the dead letter was religion and interpretation a sacrilege. Dead letter could neither edify nor uplift him. But to initiated philosopher Hesiod's Theogony is as historical as any history can be. Poseidon Neptune the grandson of Ouranos is the Hindu Idaspati and identical with Narayana the mover in not on the waters. Ouranos was the first astronomical teacher of men because he is one of the seven Dhyani Chohans overseeing that second race. Ouranos gave birth to the Saturnian Titans of the Third Race and it is they who mutilated him. For when creation by divine will was superseded by physical procreation they needed Ouranos no more. Poseidon Neptune and Nereus who fathered the Nereids are one the former is the ruler or spirit of Atlantis before the beginning of its submersion the latter after Poseidon is the titanic strength of the living race Nereus its spirit reincarnated in the subsequent Fifth or Aryan Race. Poseidon is of the earth earthy strong and self asserting sensual jealous and vindictive because he symbolises the spirit of the Atlantean Race that lives above the surface of the seas and which is composed of giants the children of Eurymedon the race that fathered Polyphemus and the one eyed Cyclopes. The key to the mysteries of the Christian as well as of the Grecian Theogonies and Sciences is the Secret Doctrine of the prehistoric nations. The standing army of Atlantis is given as upwards of a million men its navy as 1 200 ships plus 240 000 men. Such statements are quite inapplicable to Poseidonis a small island state of about the size of Ireland. Ethnologically the seven daughters of Atlas or Atlantides are the seven sub races as they are credited with having married gods and having become mothers of famous heroes the founders of many nations and cities. Astronomically the Atlantides have become the seven Pleiades. Esoterically the two are connected with the destinies of nations as shaped by past events according to Karmic law. The Secret Doctrine shows that the founders of the Root Races have all been connected with the Polar Star. The Aryan race was born and developed in the far north however after the sinking of Atlantis its tribes emigrated south into Asia. Hence Prometheus is son of Asia and Deukalion his son the Greek Noah. Cyclopes the beloved priests of Apollo were the last three sub races of the northern race the Lemurians. The single eye stands for the all penetrating spiritual eye which atrophied when their pastoral life evolved into the sensual culture of the Atlanteans only to be replaced by the outward looking eyes of lust and greed. Odysseus Ulysses belongs to the cycle of the

heroes of the Atlantean Fourth Race His adventure with the pastoral giants is an allegory of the gradual passage from the Cyclopean civilization of stone and colossal buildings to the sophisticated culture and physical proclivities of the Atlanteans That other allegory which makes Apollo kill the Cyclops to avenge the death of his son Asklepios by Zeus with a lightning bolt fashioned by Cyclopes refers to the Hyperborean Arimaspean Cyclopes the last race endowed with the Wisdom eye In his occult aspect Apollo is patron of Number Seven Cosmically and astronomically he is the Sun personified Psychically and spiritually his significance is far more important The Greeks naturalised the gods they borrowed and made Hellenes of them and the moderns helped them To make a difference between Lemuria and Atlantis the ancient writers referred to the latter as the northern or Hyperborean Atlantis and to the former as the Southern one Geologically Leto Latona is the Hyperborean Continent and its Race The quarrel of Latona with Niobe the Atlantean race allegorizes the history of the two continents Latona Lemuria is transformed into Niobe Atlantis over which her son Apollo or the Sun reigns with an iron rod truly since Herodotus makes the Atlantes curse his too great heat The Lemuro Atlantean is the first physical race though the third and the fourth in number The Lemurians as also the early Atlanteans were divided into two opposing fraternities the Sons of Darkness and the Sons of Light There were terrible battles between the two The island of Delos the Asteria of the Greek mythology was never in Greece a country which in its day was not yet in existence not even in its molecular form Diodorus Siculus and Pliny place Delos in the Northern seas One calls it royal the other the royal island of gods Because the divine dynasties of the kings of Atlantis proceeded from that place Occult records and linguistic evidence indicate that gods religious beliefs and myths have all come from the north which was also the cradle of physical man The Hyperboreans the Cimmerians the Arimaspoi and the Scythians were descendants of the last Atlantean sub races But they were neither known to nor communicating with the Greeks The Pelasgians a remnant of an Atlantean sub race were certainly one of the root races of future Greece Noah s Deluge is astronomical and allegorical but not mythical However the allegory about the antediluvian giants and their achievements in sorcery is no myth Poseidon is not only the personation of the spirit and race of Atlantis but also of the vices of the Nephilim giants of Genesis The bestiality of the Satyrs was real not allegorical Esoteric records show these hairy Satyrs to be the last descendants of those Lemuro Atlantean races which begot children on female animals of species now long extinct They paid a very heavy price for their unnatural union The whole globe is convulsed periodically and has been so convulsed since the appearance of the First Race four times Yet though the whole face of the earth was transformed thereby each time the conformation of the Arctic and Antarctic poles has but little altered Continents perish in turn by fire and water either through earthquakes and volcanic eruptions or by sinking and the great displacement of waters The three imprisoned polar giants Briareus Kottos and Gyges are three polar lands which have changed form several times at each new cataclysm or disappearance of one continent to make room for another When lesser gods and titans rebelled against Zeus he hurled Lemuria amid thunder and lightning to the bottom of the seas so as to make room for

Atlantis which was to be submerged and perish in its turn The geological upheaval and deluge of Thessaly was a repetition on a small scale of the great cataclysm and remaining impressed on the memory of the Greeks was merged by them into and confused with the general fate of Atlantis All continents are formed from North to South And the tallest men are those in Northern countries while the smallest are Southern Asiatics Thus also the giants of Atlantis as well as the Titans of Hesiod are all Northerners
