Sean Faces The Tigers:

Post Celtic Tiger Landscapes in Irish Fiction Marie Mianowski, 2016-11-03 *Post Celtic Tiger Landscapes in Irish Fiction* discusses the representations of place and landscape in Irish fiction since 2008. It includes novels and short stories by William Trevor, Dermot Bolger, Anne Enright, Donal Ryan, Claire Kilroy, Kevin Barry, Gerard Donovan, Danielle McLaughlin, Trisha McKinney, Billy O'Callaghan, and Colum McCann. In the light of writings by geographers, anthropologists, and philosophers such as Doreen Massey, Tim Ingold, Giorgio Agamben, and Jeff Malpas, this book looks at the metamorphoses of place and landscape representations in fiction by confirmed or debut authors in the aftermath of a crisis with deep economic as well as cultural consequences for Irish society. It shows what place and landscape representations reveal of the past while discussing the way notions such as boundedness, openness, and emergence can contribute to thinking out space and place and designing future landscapes.

The Top of the Octagon Colleen Lumadue, 2008-05-16 In this contemporary romance and suspense novel, England's Ely Cathedral comes into bold relief, affecting the lives of a host of characters as if the Cathedral were a character itself. It has been said that the Octagon has the power to move all sorts and conditions of men. For many of the characters in this novel, this becomes a powerful and all-encompassing reality. In *The Top of the Octagon*, Fran is a beautiful young singer from the United States who is crushed in spirit and sick with guilt. She is released from her feelings of devastation by a most extraordinary woman whom she encounters in Ely Cathedral. Just when she seems to have a chance for genuine happiness with her new love, Tom, Fran's joy is suddenly put on hold. With his half brother Brendan's future in the balance, Tom finds himself thrust into the center of a conspiracy by Irish terrorists against the Cathedral. As he attempts to foil the plot, Tom teeters between life and death. On a dark and foggy night on the grounds of Ely, the most extraordinary woman returns Tom's life and the course of Fran's future rests in her hands.

Restitution John A. Daly, 2022-02-08 Few things are more dangerous than an unpaid debt. John Daly has a magical writing style, and his books keep you up late at night turning pages. Dana Perino, former White House Press Secretary, *Restitution* offers hard-hitting action spearheaded by a badass protagonist who talks the talk and walks the walk in a brutal story of surviving an unforgiving territory. Written in the vein of old-school stories of revenge, familial bonds, and relentless action, *Restitution* is a definite must-read. Kashif Hussain, *Best Thriller Books*. I think what impresses me the most about John Daly as a writer is his range. *Restitution* brings Sean Coleman fans the series' traditional strong sense of setting and mood and clipped realistic dialogue and adds a refreshing subtle sense of heart and hope amidst all the Vegas grit and Western landscapes of the Nevada desert. Jim Geraghty, senior political correspondent of *National Review* and author of the *Dangerous Clique* thriller series. Life's gotten better for hard-edged security guard Sean Coleman. With personal affairs in order and relationships rekindled, he travels to Las Vegas to help celebrate his buddy's last days as a bachelor. Soon after he arrives, however, a twist of fate spawns a reunion with an old flame. Curiosity and a desire to make amends unexpectedly lead Sean down a dark path into the Vegas underground where another

face from the past emerges a federal fugitive whose family years earlier altered the course of Sean's life. A harrowing escape drops Sean in the barren wasteland of a Nevada desert miles away from the glitz and glamor of Sin City. There he must fight to stay alive against a well-armed group of men whose bloodlust and greed won't stop them from getting what they're after.

The Super Man Neil Rennie, 1988. In the 1950s a daredevil band of ex-World War II pilots established an entirely new industry in New Zealand: aerial topdressing. They flew underpowered, overloaded de Havilland Tiger Moths pouring superphosphate fertiliser onto steep hill country farms. It was the most demanding and dangerous peacetime flying job in the world. They were proud to be called the super men. When Douglas Macgillgray joined the RNZAF in 1952 all he wanted to do was learn how to fly fighters and the air force was happy to teach him. But he didn't anticipate the other lessons in life: love and death he would learn along the way. Above all he didn't bargain for the explosion of emotions and events: the beautiful, headstrong radical student Bernadette would provoke him; nor how she would cause him to be plunged into the exhilarating, exhausting and sometimes fatal world of the super men.

The Lost Girl Sangu Mandanna, 2012-08-28. Eva's life is not her own. She is a creation, an abomination, an echo. She was made by the Weavers as a copy of someone else, expected to replace a girl named Amarra; her other if she ever died. Eva spends every day studying that girl from far away, learning what Amarra does, what she eats, what it's like to kiss her boyfriend Ray. So when Amarra is killed in a car crash, Eva should be ready. But sixteen years of studying never prepared her for this. Now she must abandon everything and everyone she's ever known: the guardians who raised her, the boy she's forbidden to love, to move to India and convince the world that Amarra is still alive. What Eva finds is a grief-stricken family, parents unsure how to handle this echo they thought they wanted, and Ray, who knew every detail, every contour of Amarra. And when Eva is unexpectedly dealt a fatal blow that will change her existence forever, she is forced to choose: stay and live out her years as a copy, or leave and risk it all for the freedom to be an original. To be Eva.

From debut novelist Sangu Mandanna comes the dazzling story of a girl who was always told what she had to be until she found the strength to decide for herself.

Tiger Magic Jennifer Ashley, 2013-06-04. He was once a captive but his urges were never caged. Now he'll release them on a beautiful stranger whose own secret desires are longing to be sated. He doesn't have a name. He doesn't have a clan. The humans who held him prisoner for forty years have taken them away. He knew nothing but captivity until nearly a year ago when he was released into the light. Now Tiger lives in the Austin Shiftertown where he struggles to belong and searches for an identity. Carly Randal thinks her fabulous life is complete until her car breaks down on the side of the road and a wild-looking Shifter is the only one to help her. Tiger takes one look at Carly and knows instantly she will be his mate. As Carly is drawn into his Shifter world, she risks everything she has for that forbidden something she still wants: passionate love.
