

The background of the entire graphic is a close-up photograph of several green leaves. The leaves are in various shades of green, from a vibrant lime green to a deeper forest green. The veins of the leaves are clearly visible, creating a complex, organic pattern. The lighting is soft, giving the leaves a gentle, natural appearance.

stand up comedy Above all he helped redefine the very notion of what it means to be a star a savvy businessman an enterprising builder of his own brand and a public spirited entertainer whose Christmas military tours and unflagging work for charity set the standard for public service in Hollywood As Richard Zoglin shows in this entertaining and important book The Wall Street Journal there is still much to be learned about this most public of figures from his secret first marriage and his stint in reform school to his indiscriminate womanizing and his ambivalent relationships with Bing Crosby and Johnny Carson Hope could be cold self centered tight with a buck and perhaps the least introspective man in Hollywood But he was also a tireless worker devoted to his fans and generous with friends Scrupulously researched likely definitive and as entertaining and as important to an understanding of twentieth and twenty first century pop culture as its subject once genuinely was Vanity Fair Hope is both a celebration of the entertainer and a complex portrait of a gifted but flawed man A wonderful biography says Woody Allen For me it s a feast **Fortune** ,2003 PC World ,2005 Dwell ,2006 **The New York Times Magazine** ,2007 **Scientific Reports** ,1956 *Starship Free: An Anthology* Mark D Bishop,2016-12-07 *Starship Free* began as a concept of freedom when Mark D Bishop as a pupil in a private English school in the 1960s was feeling the effects of long term physical and emotional confinement It represented an escape that in his imagination created a world of travel writing love and martial arts The 50 years of poetry that this Anthology represents chart the course of how he acted out these dreams While travelling living researching training and working in various lands for 50 years Mark D Bishop felt inspired to write poetry that he felt he would one day publish This work then recording his life s adventures in poetry is the reality of his childhood daydreams To the reader the work represents a fascinating and mind opening experience be they arm chair traveller or adventurer themselves *Starship Free An Anthology* is a reassuring travel companion and an uplifting friend
