**iPad For Dummies** Edward C. Baig, Bob LeVitus, 2011-04-12 This guide helps you get up to speed and on the go with Apple's latest iPad and iOS software from surfing the Web to playing games watching and recording videos downloading cool apps and more

**macOS High Sierra For Dummies** Bob LeVitus, 2017-10-11 Work play connect and share with the ultimate tour to macOS X macOS X For Dummies is the ultimate tour guide to the Mac operating system written by Bob Dr Mac LeVitus himself Whether you're upgrading your trusty old MacBook or venturing into new territory for the very first time this easy to use guide will get you up and running quickly It's all here navigation preferences file management networking music and movies and so much more From the absolute basics to advanced techniques this book shows you everything you need to know to turn your Mac into an extension of your brain Concerned about security Need to troubleshoot an issue Want to make your Mac perform even better

Let Dr Mac walk you through it with clear explanations and a little bit of humor Read this book beginning to end for a complete tutorial or dip in and out as needed when things take an unexpected turn if you have macOS questions Dr Mac has the answers you need macOS has powered Macs since 2001 Each free annual update improves the system s functionality and typically offers a few new tools and fixes old issues If you need to learn your way around this year s update quickly easily and thoroughly this book is for you Get organized and find your way around the interface Customize your Mac s look feel and behavior Get connected get online and into the cloud Access your movies and music back up your data and more Famous for its reliability and usability macOS offers the sort of streamlined tools and operations you won t find anywhere else macOS X For Dummies helps you discover just how much your Mac can do for you      *Reinventing the Book: How eReaders, Multimedia Content, and Social Reading Are Changing the Way We Read* Joe Wikert, 2012-09-11 NOTE FROM THE AUTHOR Over the last 20 years I ve been an author a publisher and most importantly a frustrated member of the publishing industry My frustrations stem from the glacial pace of change in publishing as well as a lack of true risk taking at the highest ranks in our industry Several years ago I decided to start thinking out loud about where the industry should be heading and posted those thoughts on my Publishing 2020 blog Those posts are freely accessible by anyone with a web browser but after 7 years they re not well organized for a first time visitor That s where Hyperink comes into play I was recently approached by Hyperink to see if I d be willing to let them curate my posts into ebook format with individual parts set up for each major topic area I didn t have the time to do this and since I m a big fan of experimentation I accepted their offer to do the job for me What you re reading right now is the results of their efforts I hope you enjoy it and one or two of the pieces get your creative juices flowing Joe Wikert EXCERPT FROM THE BOOK *Rethinking Samples* March 26 2012 I m bored with e book samples I feel like I m collecting a bunch and then forgetting about most of them I m pretty sure I m not alone and I m even more certain this adds up to a ton of missed sales opportunities Although this would be impossible to prove my gut tells me the revenue missed by not converting samples into sales is a much larger figure than the revenue lost to piracy And yet the publishing industry spends a small fortune every year in DRM but treats samples as an afterthought Think about it Someone who pulls down a sample is already interested in your product They re asking you to win them over with the material you provide Far too often though that material is nothing more than the front matter and a few pages of the first chapter Some of the samples I ve downloaded don t even go past the front matter I m looking for something more Let s start with the index Would it really be that hard to add the index to e book samples No And yet I ve never seen a sample with the index included Sure many of these books have indexes that can be viewed separately on the e book s catalog page but why not include them in the sample Give me a sense of what amount of coverage I can expect on every topic right there in the sample How about taking it up a notch Give me the first X pages of the full content include the entire index at the end and in between include the rest of the book but have every other word or two X d out That way I can flip through the entire book and get a better

sense of how extensively each topic is covered By the way if the entire book is included like this then the index can include links back to the pages they reference Next up why do I have to search and retrieve samples Why can't they be configured to automatically come to me After a while a retailer should be able to figure out a customer's interests So why not let that customer opt in to auto sample delivery of e books that match their interests I love baseball Send me the samples of every new baseball book that comes out I've got plenty of memory available in my e reader and I can delete any samples I don't want I've also mentioned this before but it's worth saying again How about letting me subscribe to samples from specific authors Again it would be an opt in program but I wonder how many interesting books I've missed because I didn't discover the sample Finally this problem doesn't appear till after the sample is converted into a sale but why can't the newly downloaded e book open up to where I left off in the sample Seriously this has got to be one of the easiest annoyances to fix so why hasn't anyone taken the time to do so Buy the book to read more
