## **Pinter The Playwright:**

**Pinter, the Playwright** Martin Esslin, 1992 In 1958 *The Birthday Party* was dismissed by all but a few critics and closed after one week's run in London. Since then Harold Pinter has come to be acknowledged as our best living playwright. Irving Wardle, *The Times*. Martin Esslin's study of Pinter's plays has become a standard work since its publication in 1970. This sixth revised edition, published to mark Pinter's 70th birthday and updated to cover his most recent plays *Moonlight*, *Ashes to Ashes*, and *Celebration*, offers a comprehensive survey of the whole span of Harold Pinter's writing career by one of the most distinguished commentators on modern theatre. It will certainly not be the last book on Pinter but seems bound to remain one of the best. John Russell Taylor. Holds its place as the most straightforwardly useful account of Pinter's work to date. *Times Literary Supplement*

**About Pinter** Mark Batty, 2005 In *About Pinter* Mark Batty provides a critical study of the work of Harold Pinter, one of our most successful living dramatists. He has compiled a wide range of material which gives equal emphasis to the study and context of Pinter's writing and the experiences of the theatre practitioners who bring his plays to the stage. Pinter's own responses to his artistic output are gathered from his first interview in 1959 to the latest interview carried out especially for this book in 2004. From amongst Pinter's collaborators Clive Donner, Lindsay Duncan, Gari Jones, Peter Hall, David Leveaux, Joseph Losey, Tom Rand, and Lia Williams all offer reflection on his work as a writer, actor, and director. This stimulating collection of interviews provides a complete guide to Pinter, his work for stage and screen, and his political outlook. The strong point of the books in this series is the distinctive voices of the writers, their attitudes, and how these are reflected in their plays. Smart chronologies and brief annotated bibliographies give the books a student-friendly feel, and all are readable and jargon-free. Aleks Sierz, *Times Higher Education Supplement*

**Pinter, the Playwright** Martin Esslin, 1984 *Celebration* Harold Pinter, 1999 Jack Kroll in *Newsweek* has called Harold Pinter the most fascinating enigmatic and accomplished dramatist in the English language. Since his first full-length play *The Birthday Party* 1958 and continuing with *The Homecoming* 1965, Pinter has trained a sharp eye on the strange dynamics of modern family life. In his newest play *Celebration*, he continues to examine the darker places of relationships. *Celebration* is an acerbic portrait of a sated culture choking on its own material success. Startlingly full of black humor and wicked satire, *Celebration* displays a vivid zest for life. Also included in this volume is Pinter's classic play *The Room*. Both plays are invested with the elements that make Pinter's work unique: the disturbingly familiar dialogue, subtle characterization, and abrupt mood and power shifts among characters which can be by turns terrifying, moving, and wildly funny.

**The Dwarfs** Harold Pinter, 1999 *THE STORIES THE DWARFS* The play is concerned with three young men: Len, Pete, and Mark, and the scene of action shifts back and forth between Len's house and Mark's. Sometimes all three come together, sometimes only two, and often Len is on stage.

**The Room & The Dumb Waiter** Harold Pinter, 2013-11-28 *The Room* and *The Dumb Waiter* In these two early one-act plays, Harold Pinter reveals himself as already in full control of his unique ability to make dramatic poetry of the banalities of

everyday speech and the precision with which it defines character Harold Pinter is the most original writer to have emerged from the new wave of dramatists who gave fresh life to the British theatre in the fifties and early sixties **The Times** **Death etc.** Harold Pinter, 2015-01-27 A collection of political essays poetry and dramatic works by the Nobel Prize winning playwright and author of *Betrayal* Throughout his life playwright poet and political activist Harold Pinter has consistently cast light on the hypocrisy of power and those who would defend the status quo for the sake of their own security and comfort Awarded the Wilfred Owen Prize in 2004 for his poetry condemning US military intervention in Iraq Mr Pinter has succeeded in combining his artistry with his political activism *Death etc* brings together Pinter's most poignant and especially relevant writings in response to war From chilling psychological portraits of those who commit atrocities in the name of a higher power to essays on the state sponsored terrorism of present day regimes to solemn hymns commemorating the faceless masses that perish unrecognized Mr Pinter's writings are as essential to the preservation of open debate as to our awareness of personal involvement in the fate of our global community **Old Times** Harold Pinter, 2012-11-15 *Old Times* was first presented by the Royal Shakespeare Company at the Aldwych Theatre London on 1 June 1971 It was revived at the Donmar Warehouse London in July 2004 *Old Times* is a joyous wonderful play that people will talk about as long as we have a theatre New York Times What am I writing about Not the weasel under the cocktail cabinet I can sum up none of my plays I can describe none of them except to say that is what happened This is what they said That is what they did Harold Pinter *Ashes to Ashes* Harold Pinter, 1997 First presented by the Royal Court Theatre in London in September of 1996 *Ashes to Ashes* is a triumph of power and concision In the living room of a pleasant house in a university town outside of London Devlin threatened by his wife Rebecca's recollections of an abusive ex lover questions her relentlessly in his need for a single truth In her seamless blending of what she knows of violence with the wider violence of the world Rebecca reveals an eerie communion with the dead victims of unnamed political barbarities **The Birthday Party, and The Room** Harold Pinter, 1961 In *The Birthday Party* a musician becomes the victim of a ritual murder Everyone implacably plays out the role assigned to them by fate *The Room* becomes the scene of a visitation of fate when a blind Negro suddenly arrives to deliver a mysterious message *The Hothouse* Harold Pinter, 2013-07-18 *The Hothouse* was first produced in 1980 though Harold Pinter wrote the play in 1958 just before commencing work on *The Caretaker* *The Hothouse* is one of Pinter's best plays one that deals with the worm eaten corruption of bureaucracy the secrecy of government and the disjunction between language and experience Michael Billington *The Hothouse* is at once sinister and hilarious suggesting an unholy alliance between Kafka and Fedyeau The National Theatre presented a major revival of *The Hothouse* in July 2007 The foremost representative of British drama in the second half of the twentieth century Swedish Academy citation on awarding Harold Pinter the Nobel Prize for Literature 2005 *One for the Road* Harold Pinter, 1985 An unnamed totalitarian state torments in turn a tortured prisoner his wife and child *One for the Road* was first performed at the Lyric Theatre Studio Hammersmith in March 1984

D., 2016-09-13 All you have to do is shut up and enjoy the hospitality Terry Harold Pinter's Party Time 1991 is an extraordinary distillation of the playwright's key concerns Pulsing with political anger it marks a stepping stone on Pinter's path from iconic dramatist of existential unease to Nobel Prize winning poet of human rights G D White situates this underrated play within a recognisably Pinteresque landscape of ambiguous brittle social drama while also recognising its particularity Party Time is haunted by Augusto Pinochet's right wing coup against Salvador Allende's democratically elected government in Chile This book considers Party Time and its confederate plays in the dual context of Pinter's literary career and burgeoning international concern with human rights and freedom of expression contrasting his uneasy relationship with the UK's powerful elite with the worldwide acclaim for his dramatic eviscerations of power
