## **Pioneer Days In British Columbia Volume 1:**

**Pioneer Days in British Columbia** Art Downs, 1975-05 Pioneer Days is a blend of words and photos that proves British Columbia's history is as interesting as that recorded anywhere else in North America. Every article is true, many written or narrated by those who 100 or more years ago lived the experiences they relate. Each volume contains 160 pages plus some 60 000 words of text and over 200 historical photos, many published for the first time. British Columbia and Yukon Gold Hunters Donald E. Waite, 2015 A look at the 19th century gold rushes in British Columbia and the Yukon. Includes archival photographs and hand drawn maps. British Columbia Bizarre Rosemary Neering, 2011 British Columbia Bizarre is a fascinating and eclectic mix of tales, snippets, historical facts, fancies and misconceptions teased from the history of British Columbia. No one should read this book to obtain a balanced view of the province's history. It ignores the important people and trends that contributed to BC's story and instead favours the often strange, sometimes wonderful and frequently insignificant events and people that make this province a storyteller's dream. Amuse yourself with tales of the brothels, bowdy houses and bagnios that existed in every town, the wild camels of Vancouver Island, communists, well sort of duels to the death and goose races. And if that isn't enough, fill your boots with a potpourri of editorial feuds, gamblers and professional hangmen, lepers and lynching, and let's not forget angry moose. Sure to delight and surprise. British Columbia Bizarre is a wild safari through provincial history that will confuse your assumptions and tickle your taste for the unusual. *Bucktails and Hoochies* Bruce Colegrave, Jack Gaunt, 1971-05 Trolling bucktail flies is an exciting and productive method of catching salmon. Colegrave explains the technique and Gaunt shows sportsmen how to catch salmon with hoochies. **How to Cook Your Catch** Jean Challenger, 1973 How to Cook Your Catch outlines simple cooking with limited utensils to make great food. It is ideal for boaters, campers and holidayers. Lots of shortcuts. This one is hard to beat. **History of Seattle, Volume 1** Clarence B. Bagley, The preparation of a History of Seattle has been the exploration of a new field and the amount of patient research and careful investigation involved has been a task of colossal proportions. The printed and written records of the first twenty years of Seattle's existence are scanty, almost beyond belief. Not until 1863 was a newspaper established there and for many years more space in it was devoted to eastern and foreign politics than to the record of local passing events. Few if any pioneers kept diaries and none of these except that of the writer has been accessible. And yet this work has become one of the most detailed and accurate narratives of the history of this beautiful town on the West coast. A must read and not only for Seattle citizens. This is volume one out of two. **Numismatist and Year Book**, 1899 Vols 24-52 include the proceedings of the A N A convention 1911-39. **Canadian Books in Print. Author and Title Index**, 1975
